To Linda with all my love,
Don

I have known alot of girls in my life, but none as wonderful, sweet, and loveable as you. I give to you all my love and wish you all the happyness in the future. Always remember Angel: F.T.W.

Love you forever,
"Don"
U.S.N.

MAY 23, 1962

(from someone who likes girls to someone who likes boys.)

Linda

I really didn't have time to sign the other time, you know lunchroom rush. I wanted to do it again anyway. Well this is the end of the year again with a big summer comming up. I hope to see ya this summer once in a while if I'm not too bussy. I enjoyed your friendship and hope it is (oops) [redacted] ever lasting.

Linda Babe
Best of luck to
a real cute girl. Hope
you will continue to
work with Mr. Ko.
Will see you next year.
Have lotsa fun this
Summer. Luff Ya
Rabbi

FOREWORD

We the Chariot staff, present to you the class of 1962, the Library of Knowledge. As you turn these pages you shall realize the benefits, the information, and the happiness that is offered in this Library of Knowledge.

The benefits acquired in these chapters depends on each and every individual. If you make an honest effort during your school life to learn, these chapters will be an open doorway to future success.

Since our future is so vitally important, what we learn now builds the foundation for our post-graduate years. During our college years and the rest of our life we shall be applying our knowledge in many varied fields. Therefore it is necessary for us to increase in wisdom and continue to rise on the shelves in the Library of Knowledge.

Because our library is so spacious and bountiful it has almost every resource that we need. In years to come we will be thankful for the wonderful opportunity that we are utilizing now.

Volume 1: . . . Index to Knowledge

Our splendid faculty is the most im-. portant part of our library of knowledge. The future of any student depends on the teacher's ability to interpret and to convey the information that is written in our text-books. They are the leaders down the path of learning.

Friends are the most wonderful people there are and our teachers fill every qualification for being our friends. They not only give of there working hours but are willing to give us extra help on their own time. They always set good examples for the students and are ready to join in their many activities.

In the future our teachers will watch us go forth as we make valuable contributions to our communities, country, and nation, and will then be assured of a "job" well done.

MRS. HELEN BRAME AND MR. WILLIAM SMITH
Guidance Counselors

The competent management of the school's office may be accredited to the capabilities of our secretaries and registrar: Mrs. Donna Cochrane, Mrs. Sara White, Mrs. Carrie Johnston, Mrs. Anne Kelly.

Whenever we are in need of help we turn to our Guidance Department. Through them we can solve problems which may affect our futures.

They help students to adjust mentally and socially in school. The welfare and adjustment of each student greatly interests our guidance department. They try hard to work out their problems so that the students will profit.

Many students in future years will owe their success to the wise judgment of the Guidance Department. They are a team of hard-working individuals.

Book 2 . . . . . English

MR. JERRY BELCHICK; English 7, Jr. High Student Council Sponsor, Attendance . . . MR. MAX BRANYON; English III, Speech, Journalism, Trojan Tribune Sponsor, Sophomore Class Advisor . . . MRS. RUBY CARSON; English III, IV, English Department Chairman, Senior Class Advisor, Assemblies . . . MRS. FANNIE MAE DOUGLAS; English 8 . . . MISS BETH ELVERY; English II and III, FTA Sponsor, Sophomore Class Advisor . . . MISS MARION FERNANDO; English 9 . . .

The second and most essential book in our Library of Knowledge is the foundation for the study of books to come. Our ability to read, comprehend, and use correct grammar is necessary in any field of life.

We are fortunate to have an excellent English department in our school. In grammar we diagnose and correct individual weaknesses, place emphasis on usage and construction, and put our skills to work in written compositions.

The study of literature helps us to gain an understanding of the beginning of American and English life, to learn to read for the philosophical outlook of the writer, and to appreciate literature as a factor in the development of language.

When we become the leaders of tomorrow, our mastery of the myriad facets of communication as taught by the English teachers will help to determine the measure of our success and happiness in the future.

MR. RAY HESS
English 7
Textbooks

MR. DENNIS HOGUE
English III, IV
Senior Class Sponsor

MR. JACK HOLTON
Attendance
English III and IV
Honor Society Sponsor

She makes us read, read, read.

Oh boy, another test.

MRS. MYRTLE JEAN HUBBARD; English II, Tri-Hi-Y, Junior Class Advisor . . . MRS. BETTY KAHLE; English 9, Speech, Journalism . . . MRS. HALCYAN S. REESE; English 7 . . . MRS. MITCHELL MOORE RHODEN; English II, Sophomore Class Advisor . . . MRS. LE JOYCE STALLINGS; English 9 . . . MISS NANCY WORLEY; English 8.

Book 3 . . . . . Foreign Language

MISS VIRGINIA H. DE VOE; Spanish I, Jr. High Conversational Spanish, Co-sponsor of Spanish Club . . . MISS MARGARET FAILS; French I & II, Conversational French, English II . . . MRS. RUTH GAINER; Latin I & II, Sponsor of Latin Club . . . MISS FLORA THOMAS; Spanish I & II, Spanish Club . . . MISS DEBORAH DU BOIS; Librarian, Library Club . . . MRS. CLAUDIA PENNINGTON; Librarian, Library Club.

By studying foreign languages, we become acquainted with the customs, ideals, and living conditions of other countries, and achieve a better understanding of their people. Students apply their knowledge of these new languages and grammar to the English they study every year.

Another aspect concerning the study of foreign languages is the application of what we have learned to our daily living. Different languages are often used in newspapers and magazines.

Our study of these languages will aid us if we ever travel abroad.

The Library . . . our bookcase of knowledge . . .

Sure glad it's Friday

Oh! So that's where it came from.

Is that how you spell "Bull"?

Book 4 . . . . . Expression

MISS RUBY CHURCH; Homemaking I, Co-Sponsor FHA . . . MRS. FRANCES GOUBAUD; Art, Inter-American Relations, Art Club . . . MR. NICHOLAS MUSZYNSKI; Art 7 & 8, Art Club Co-Sponsor . . . MR. HATCHER D. HOYT; Band . . . MR. DERRALD P. JAESCHKE; Distributive Education, Sponsor D. E. Club . . .

The importance of the fine arts classes in high school varies as the students vary. Home economics classes prepare the young homemakers. Art classes help to bring out the nature of a person's ability to produce beauty. Chorus classes bring out the quality of your voice and teaches the appreciation of music.

By acquainting ourselves with the arts of expression, we are able to add variety to our life.

Thinking about artistic values.

Are you sure this will fit?

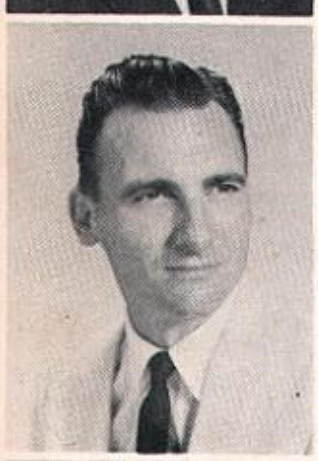
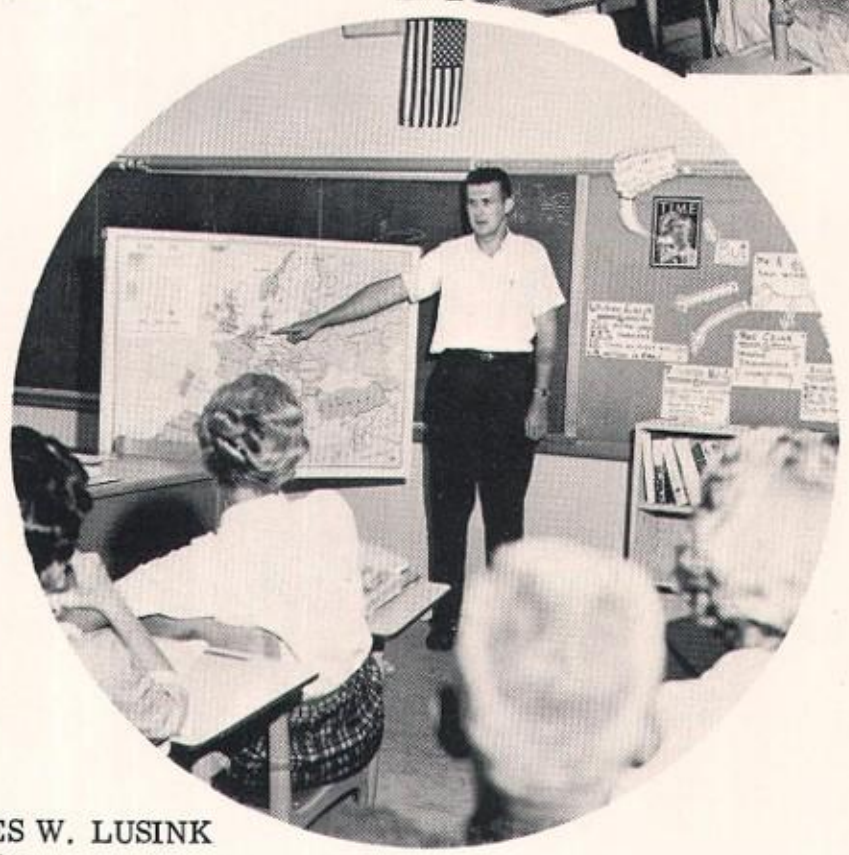
MR. WILLIAM R. JOHNSON
United States History
Sr. High Textbook Manager
Junior Class Advisor

MR. CURTIS A. LANDRUM
Civics
Safety Patrol



MR. JAMES W. LUSINK
World History
Youth Coservation Club
Sophomore Advisor



An explosive situation in Europe.

Our "library card," which is the doorway to the past and the future, is the history department.

The beginning of our nation and the problems encountered by it are conceived from our study of United States History and Problems of American Democracy. From the study of World History and World Geography, we learn about the customs and governments of many countries.

The study of history gives a person a stronger feeling of democracy and devotion toward his country.

Both Consumer Economics and Psychology introduce the individual to the problems of social and economic behavior.

MR. FRANKLIN A. PARSONS; Civics . . . MR. LELAND RICE; World Geography, World History, Sponsor of Chess Club, Sophomore Class Advisor . . . MR. ALVIN J. STILES; United States History, Co-Sponsor of Chess Club, Junior Class Advisor . . . MR. LEWIS VASS; History, Geography, Art . . . MR. ADRIAN A. WILSON; American History.

Book 6 . . . . . Science

MR. BILL E. ALEXANDER; Biology, General Science, Physical Science, Assistatn Varsity Coach, J. V. Basketball Coach, Head Track Coach, Sophomore Class Advisor . . . MISS MARION BROWN; Science, Jr. High Book Store . . . MISS SHIRLEY CUNNINGHAM; Chemistry and English, Red Cross Club, Junior Class Advisor . . . MR. JON R. FORTMAN; Biology, Sponsor of Biology Club, Senior Class Advisor . . .

Hope it doesn't shock me.

Science draws away from the ordinary mode of living and we learn to utilize ourselves. This is achieved by applying the knowledge we have gained during previous years to problems, theories, and questions contained in science. We find that we do not use textbooks entirely, but perform experiments and make observations. Fundamentals studies are utilized each day of our lives.

We learn to examine prejudices and superstitions in the searching light of information made available through science. The methods and materials are already in our hands. We can live more fully and more intelligently only by using them. Looking toward the future, we can be assured that through some of us science can and will serve men.

It may explode!

MR. LAMAR GRIFFIN
Chemistry, Senior Science, Electronics Radio Builders Club, Sophomore Class Advisor.

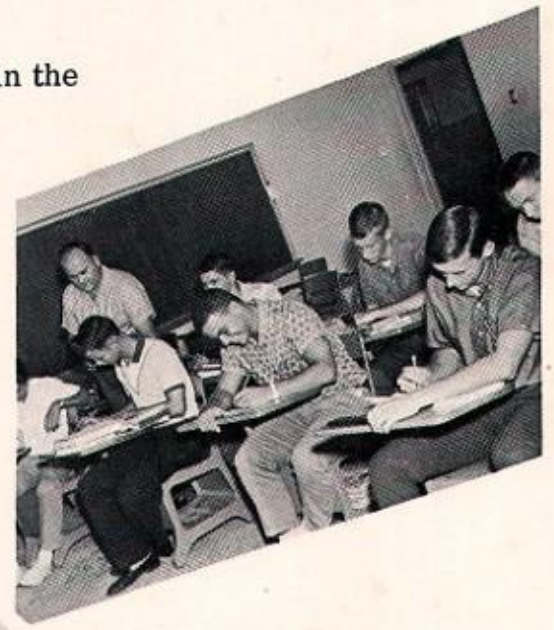
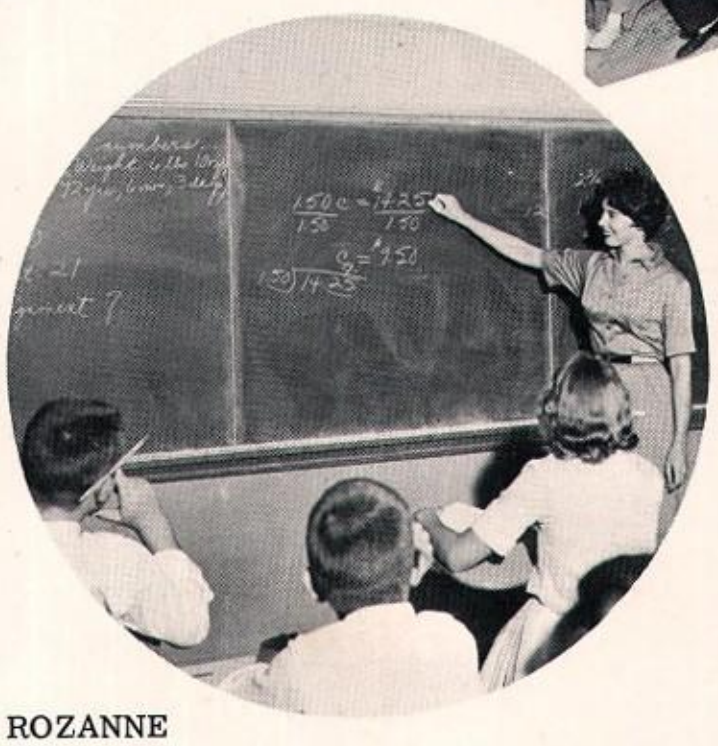
DAVID FOSTER; Plane Geometry, Algebra, Business Arithmetic, Audio-Visual Chairman, Sophomore Class Adivsor . . .

MR. EDGAR A. HARE
Mathematics

There must be a mistake in the answer book!



MR. DON LEACH
Mathematics



One of our most vital and enriching subjects is mathematics. Whether it be from counting our change from the local store or to making blueprints for a building, math is still necessary. Now that our world is extending into a new field of space, we need a great deal of advanced mathematics. Our mathematics teachers see this and, by their profession, are willing to teach the coming generations. From mathematical terms to formulas to theories we will go forward into the world prepared for greater things.

MR. RUDY ROZANNE
Mathematics
Algebra I

Boy! Arithmetic doesn't inspire me.

H D Brookwood

MR. CLARENCE SHELDON; Mathematics . . . MR. MORRIS STOFLE; Mathematics, J. V. Football . . . MR. GERALD WINJUM; Physics, Algebra I, II, Key Club, Junior Class Advisor . . . MRS. ANN SMITH; Mathematics . . .

Book 8. . . . . Business Education

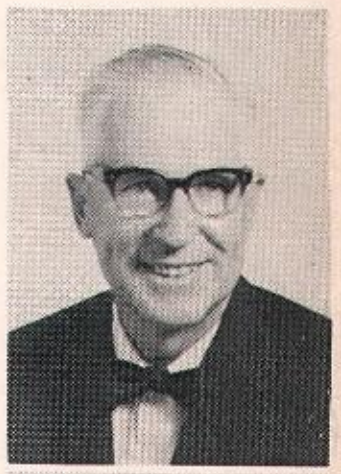
Thank you for your service . . .



MR. E. ALBIN NEWBERG
Typewriting I, II, Business Law, Junior Class Sponsor.

MRS. GLADYS PHILLIPS
Shorthand I, Bookkeeping Business English, Girls Attendance, FBLA Sponsor.

Eyes on the copy.

Our Business Education Department strives to train students in the skills of typewriting, shorthand, bookkeeping, and office practice. Practical use of these skills is applied everyday as business education students work in the school offices.

In training future business workers valuable assets of the world of business, such as efficiency in communication, expertness in organization, and productivity are emphasized. The department teachers aim to instill the spirit of dependability, the acceptance of responsibility, and the motivation toward accuracy in work habits.

It is in this department that the students discover themselves, their talents, their abilities, and are encouraged to make decisions which are important in succeeding in the field of business.

MRS. CAROL RICHBURG
Typewriting I, Business Arithmetic, Yearbook Business Manager, Future Secretaries Sponsor, Sophomore Class Advisor.

Enter debits on the left.

Book 9 . . . . . Vocational Technology

MR. HERBERT HENLEY; Agriculture, Future Farmers of America . . . MR. PAUL E. MARVIN; Drafting I, II, III, Safety Patrol . . . MR. RICHARD SLATER; Industrial Arts.

Our vocational facilities are limited now, but we are expecting to have much more in the future. In vocational agriculture, industrial arts, and electronics, the students not only become fully accquainted with the theory of their future trade, but they also learn the importance of accuracy, intelligent reasoning, and friendly co-operation through their supervised, practical experience.

In the future we expect to add to our Library of Knowledge by having a drafting room, a completely equipped automatics shop, and a regular industrial arts classroom.

On your mark, get set . . .

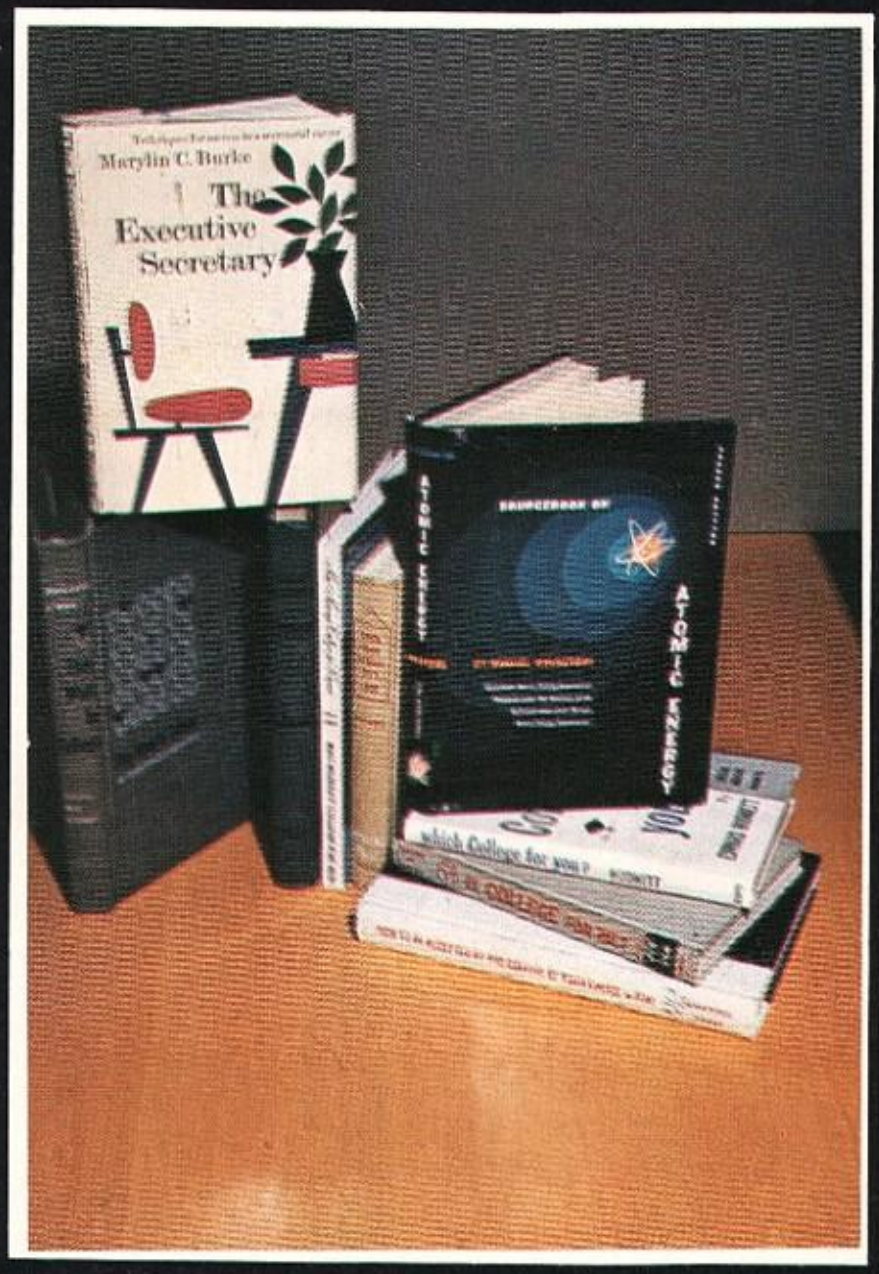
Keep your elbows in.

Volume II: . . . Major Biographies

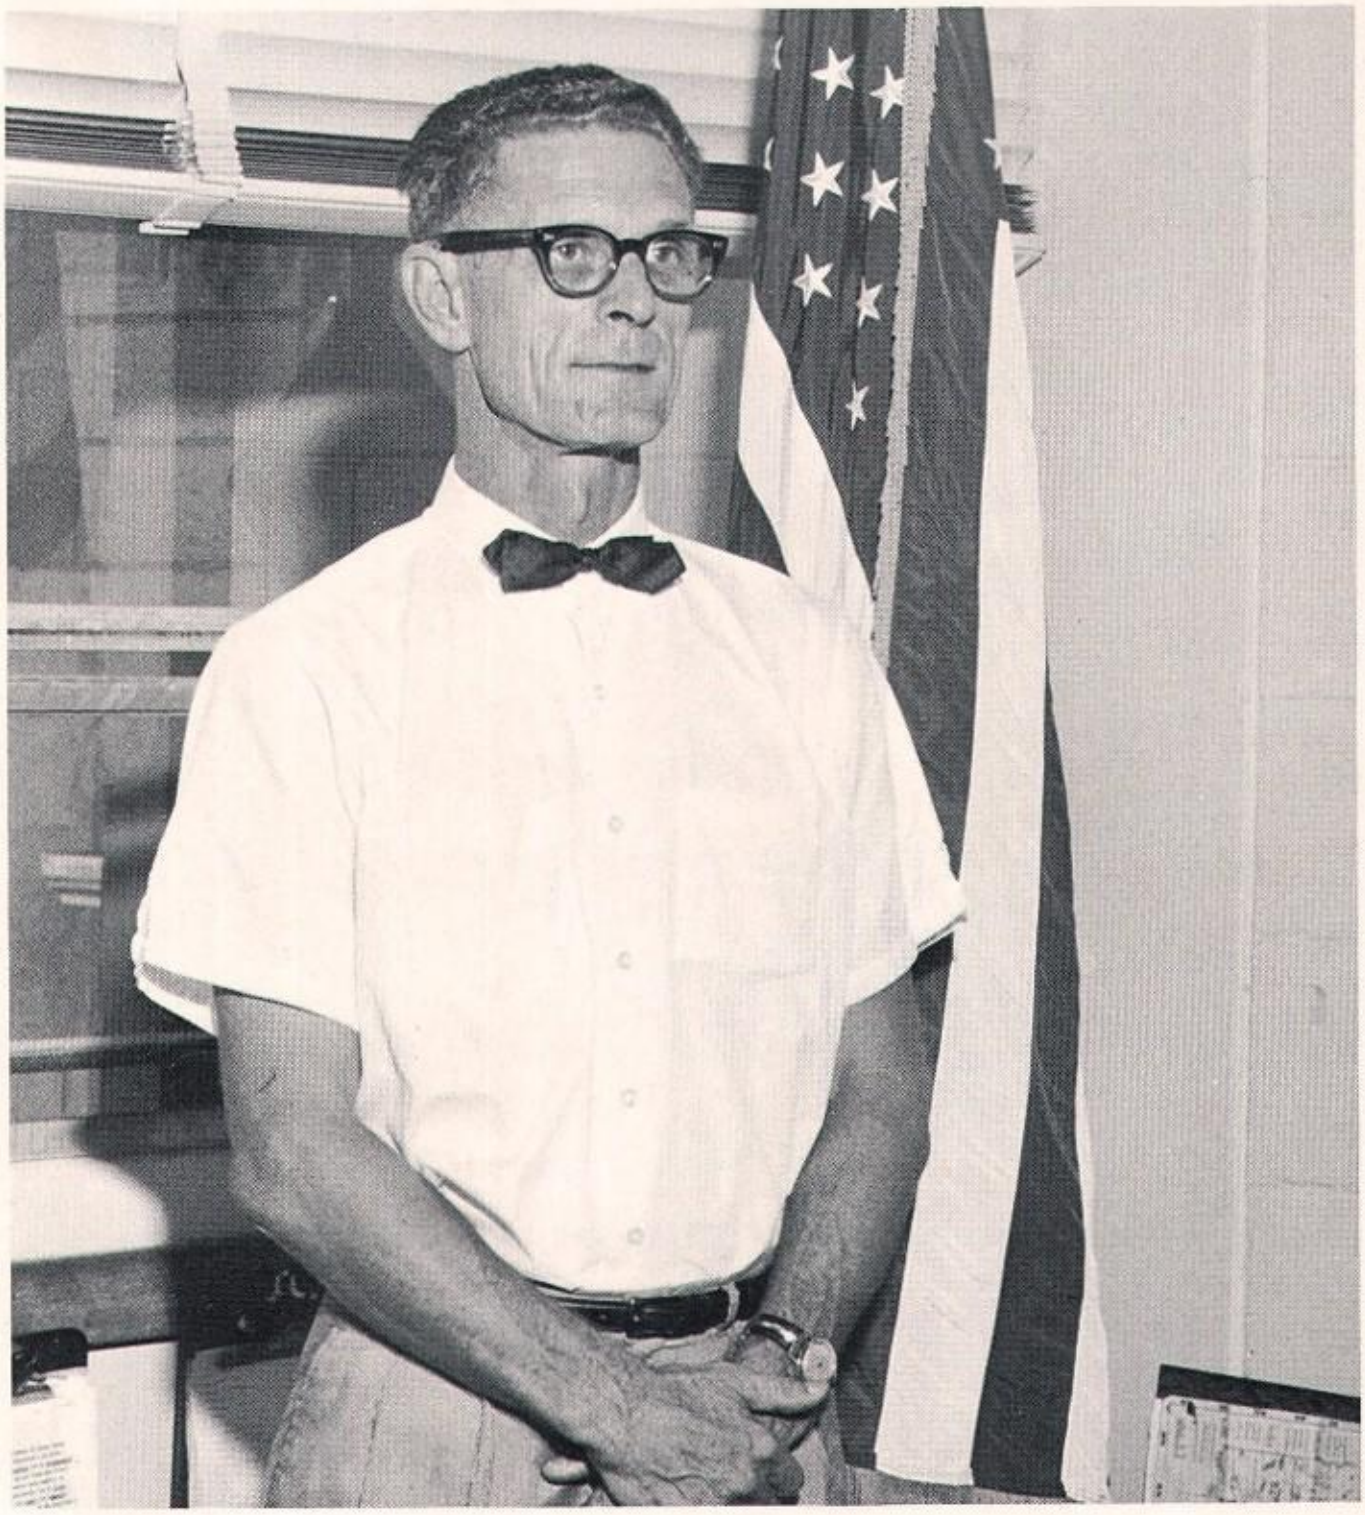
It seems like only a short time ago that we entered school for the first time. We can still remember our first books in grade school and our years in junior high. However, the years at Maynard Evans High will be held in our memory the longest. It was here that we learned to make final adjustments so as to take our place in the outside world. We had experiences which taught us to accept responsibility and to cooperate with others. In the future years we will find it a necessity to pay for what we learn--either in dollars or in toil and turmoil.

Now we can close this chapter; a chapter that was wonderful--of fun, proms, assemblies, exams, studies, and the best of teachers. Some of us will enter into college, some in a brance of the services while others will enter into the business world. Our graduation has ended. Some of us are left in tears and others in smiles.

Seniors



Marylin C. Burke
The Executive Secretary
ATOMIC ENERGY
which College for you?



To the Seniors:

To each of you "congratulations." Your past four years of formal education is only a stepping stone to greater opportunities. It is my hope that you will accept each future challenge with enthusiasm and clarity of mind, for these qualities are basic to success and peace of mind.

Be constantly aware of your responsibility as a citizen. Your country's future depends on it.

With these thoughts I leave you. May God bless and protect you always.

Sincerely,

T. F. Wiedenbeck

Secretary

Class of 1962

This year's Senior class is a rather special class in the history of Evans. It is actually the first graduating class made up of students who have been at Evans for the full four years since Evans came into being.

We are excited and proud as we became Sophomores and entered our first year of high school. Before we knew it we were in the middle of all the wonderful games, dances, and other activities.

In our Junior year we elected our class officers and began many plans in our council meetings. The most important of these was the Junior-Senior Prom, where we danced in the dreamy atmosphere of "Stairway to the Stars". This alone was enough to make our Junior year end happily.

When we returned from our summer vacation, we held our heads high. We were Seniors, and we were determined to make our class the best class in the history of Evans.

The long-awaited day came when we finally received our Trojan rings. This made us realize that we had many responsibilities; as Seniors, we must set good examples for the rest of the school.

Under the leadership of our fine class officers we established Senior privileges which every underclassman looks forward too. We became busy with football, homecoming, basketball, Senior pictures, the Sweetheart Ball, track, baseball, clubs, projects, Senior Tests, homework, and more tests. We also carried on our growing number of traditions: The Christmas Ball, Senior Play, Senior Picnic and the capping ceremony.

These memories will be cherished in our hearts forever and our loyalty to Evans will continue to develop. After graduation we realized what a wonderful and successful high school life we have had. But with the tears of sadness came the joy of looking forward toward a successful future.

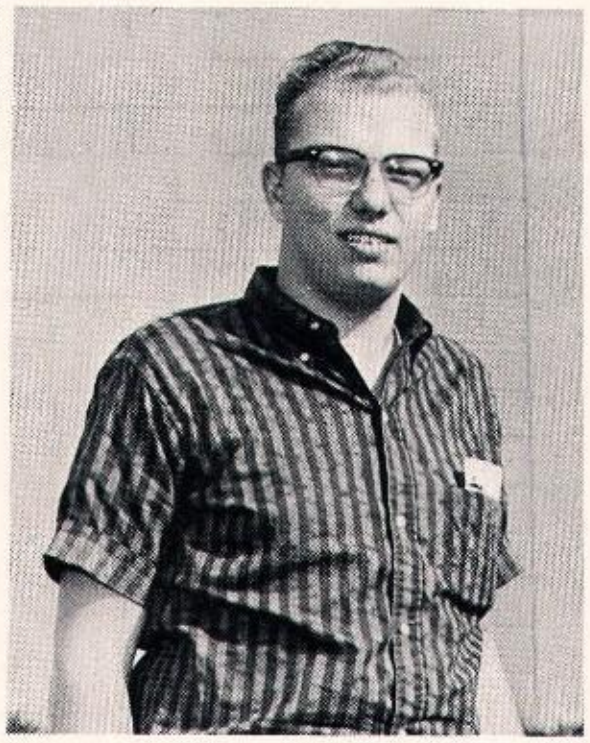
Outstanding Evans

SANDY ELKIN

The faculty this year made recommendations about recognizing outstanding Evans Students in the Senior High School. Shown at the left is Senior Sandy Elkin, voted the outstanding girl citizen. She has maintained a fine academic record and has contributed much in extra-curricular activities. Sandy has, through her example, exemplified a high degree of service and citizenship toward her school and fellow students.



BRUCE DUDLEY

The male student in the high school awarded the title of "best citizen" is Bruce Dudley. His outstanding contributions to his school service are many. Bruce has given immeasureable service in the area of journalism, serving on the yearbook and newspaper staffs. His unselfish devotion to many school projects in which he actively solicited student and faculty support is recognized by this award.

In recognition of outstanding co-operation and understanding of our students and people in all walks of life we wish to reserve this space for Mr. Samuel J. Armeni.

Mr. Armeni, better known to his students as "Smiley", is very active in dealing with people. He began his teaching career in Burton High School, Burton, Ohio, from 1950 to 1952. He took one year off from teaching and went to New York City where he concurrently taught at the Pratt School of Business and worked on his Masters Degree at Columbia University. In 1953 he returned to Ohio and taught one year at Middlefield, Ohio before coming to Florida. He was hired by Mr. Wiedenbeck to teach at Lakeview High School. After six years of teaching business subjects and teaching journalism to the yearbook staff he moved to Maynard Evans.

Mr. Armeni has worked on school publications since the beginning of his teaching career. He is at present the yearbook sponsor and one of the Senior Class advisors. He is well known to give up his free and most valuable time to help students with the yearbook and personal problems.

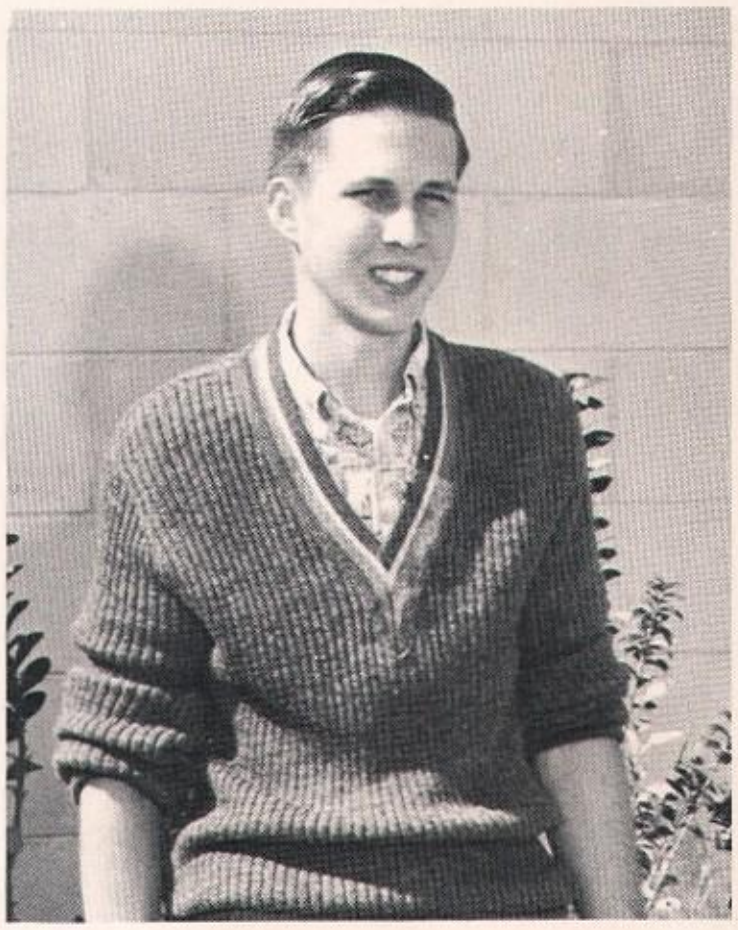
Mr. Armeni is a member of the national, state, and local associations of business education teachers. He has achieved his B. S. degree in Education from Ohio University and his M.A. degree from Columbia University.

In conclusion, we hope that Mr. Armeni knows how much we appreciate him.

Citizens Earn Recognition

English

David Radford was chosen to receive the 1962 Outstanding Senior High English Student Award. David has performed well, both within the English Department and on nationwide tests, in the field of English. He has evidenced a keen insight in the field of literature, has indicated a mastery of grammar and usage in his oral expression and in written compositions. David Radford richly deserved this English award.



David Radford

Science

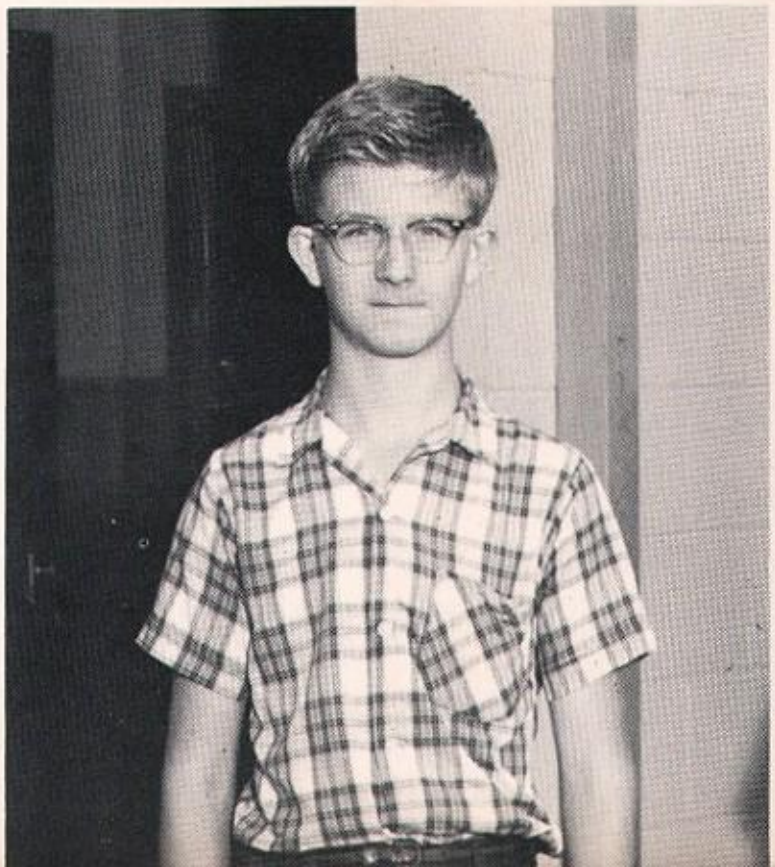
Brent Blumenstein

The Outstanding Senior High Student Science award goes to Brent Blumenstein. A conscientious and devoted science student--attributes that Brent lends to other scholastic endeavors of his at Maynard Evans--sums up the feeling that prompted the decision of this science award.

Mathematics

The Mathematics Department selected Brent Blumenstein and Stephen Forsythe as recipients of the Outstanding Math Student award. Both of these gentlemen excelled in grasping new concepts in mathematics and applied same in concrete examples. They have worked diligently and vigorously on difficult materials. Both students participated actively in class discussions which enhanced the learning situations of their groups. It is felt that Brent and Stephen have contributed most fully toward the success of the Math Program at Evans during the 1961-1962 school year.

Stephen Forsythe

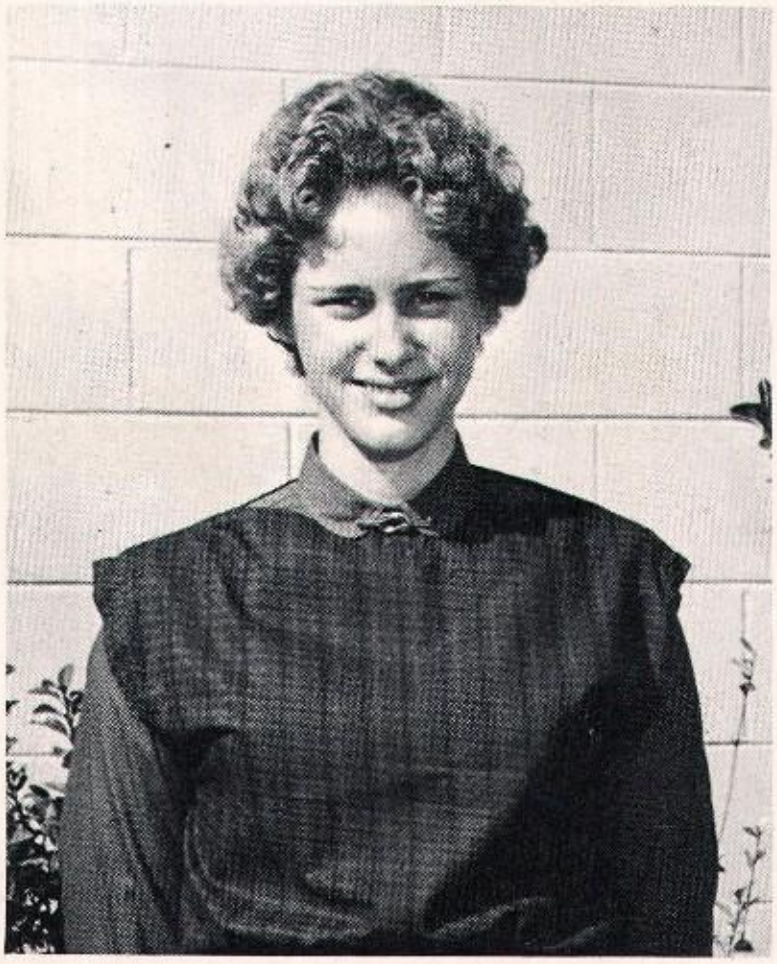


Business Education

Judy McAfee

The faculty of the Business Education Department chose Judy McAfee to receive the Outstanding Business Education Department Student Award for 1961-1962. Judy has majored in the field of business education and is outstanding in her work in business subjects. She is the possessor of a pleasant personality, is cooperative in working with the students and teachers in the department. It is felt that Miss McAfee will be an asset to some future business office.

Home Economics



Connie Crumling

The 1961-1962 Outstanding Senior High School Student Home Economics Award was given to Miss Connie Crumling. Connie applies the knowledge of Home Economics in the techniques of Foods, Clothing Construction, Home Management, Child Care, and Housing to her everyday life. She is a very capable person, accepting responsibility and following through to the successful completion of tasks assigned her.

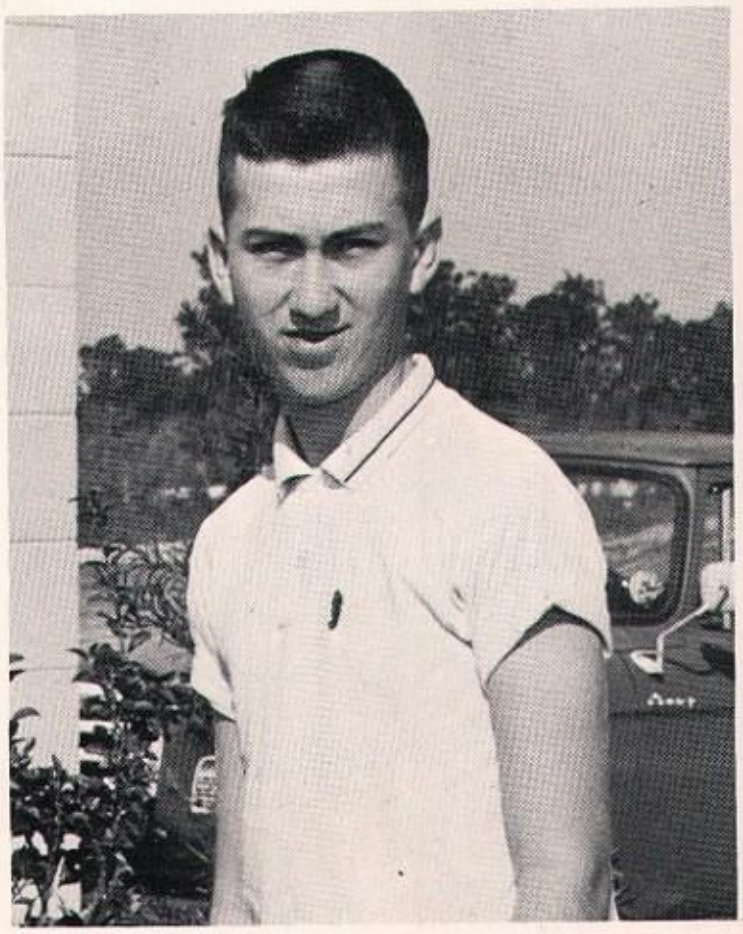
Social Studies

Carolyn Roberson

Carolyn Roberson has been an honor student in the Social Studies Department throughout her high school career. She has excelled in all of her social studies, making the highest score in the Social Studies area in the national testing program given at Maynard Evans. Carolyn is a dedicated scholar who realizes not only the value but the necessity of a good education.

Agriculture

The outstanding agriculture student is Tom Brown. Tom is a fine young man who displays a sense of responsibility and is very dependable. He works to his capacity at all times and is a leader in his class. This gentleman can be considered an asset to the Agriculture Department of our school. Tommy has represented Evans in many contests and has always cooperated in all the activities of the FFA. He has maintained an admirable attendance record of FFA meetings.



Tom Brown

D. C. T.

Sharon Ramirez

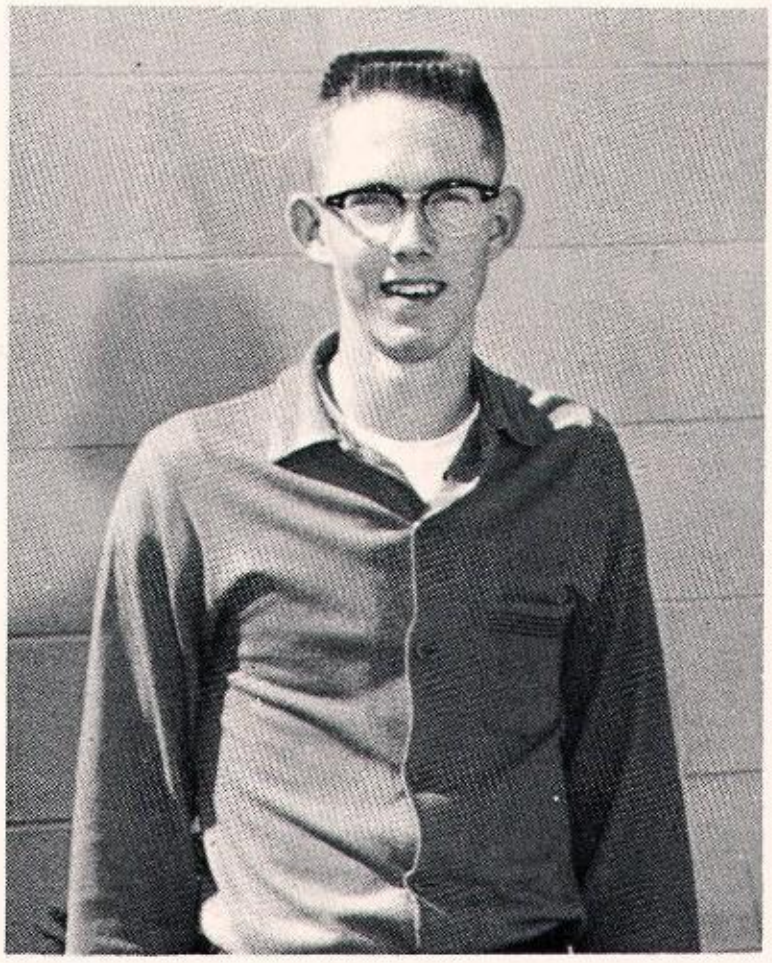
The Distributive Education award for the outstanding senior high school student goes to Senior Sharon Ramirez. Sharon is training on the job with J. C. Penny's as a retail sales lady. She is rated as an excellent worker by her employer. Sharon is courteous and unselfish in her dealings with her fellow students as well as the public with whom she comes into contact in performing her daily job.

D.E.

Senior Nancy Lash was the outstanding DCT student for this past year. Her employer for the Diversified Cooperative Training program was Doctor Sauerburn. At work, as well as at school, Nancy has been most cooperative, displaying an excellent attitude toward her employer and her studies. Nancy has shown outstanding progress, courteous conduct, and unselfish service.

Nancy Lash

Industrial Arts



Larry Lowe

Pictured at the left is the recipient of the Outstanding Industrial Arts Student Award--Larry Lowe. A credit to the Evans Industrial Arts Department, Larry takes pride in his work. He is very exacting in his work and his drawings ranked high in the Central Florida Fair. He is neat in his appearance and in his daily work habits.

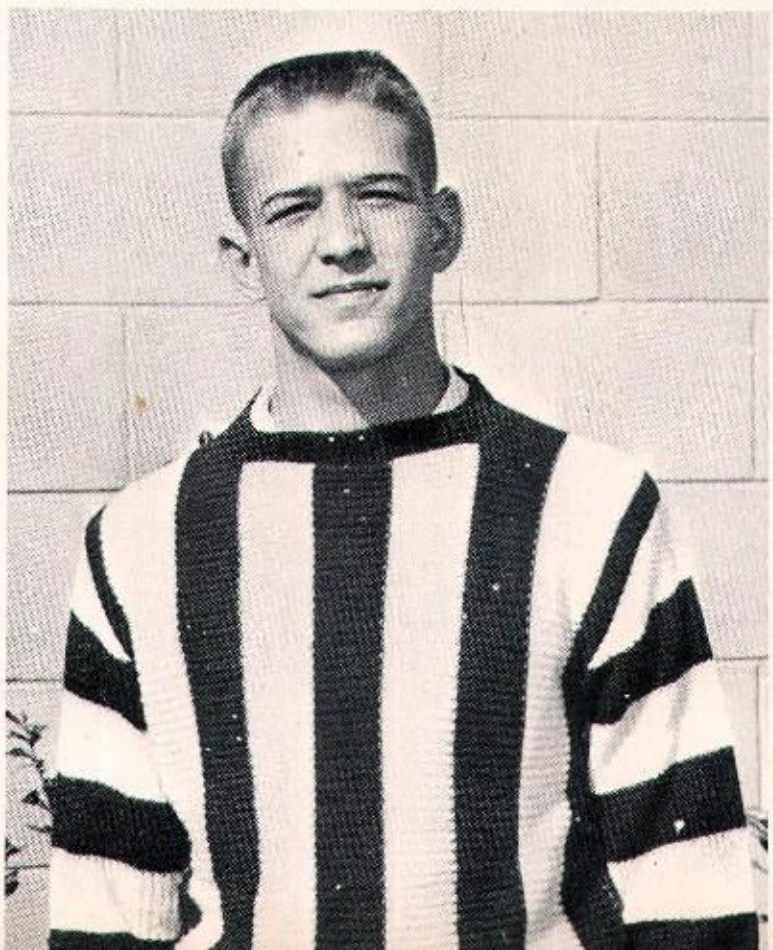
Choral Guild

Lynn Beuchat

The outstanding senior high student in the Choral Guild is Lynn Beuchat. Lynn has been a member of the Choral Guild since its inception in 1959. She has been the Guild's librarian for three years; has been a soloist for concerts and assemblies; has been a "Key" member; and has performed in soloing at the District IV Florida Vocal Association Festival in 1961. In 1962 Lynn represented Evans at the All-State Concert Chorus.

Band

Joe Mills

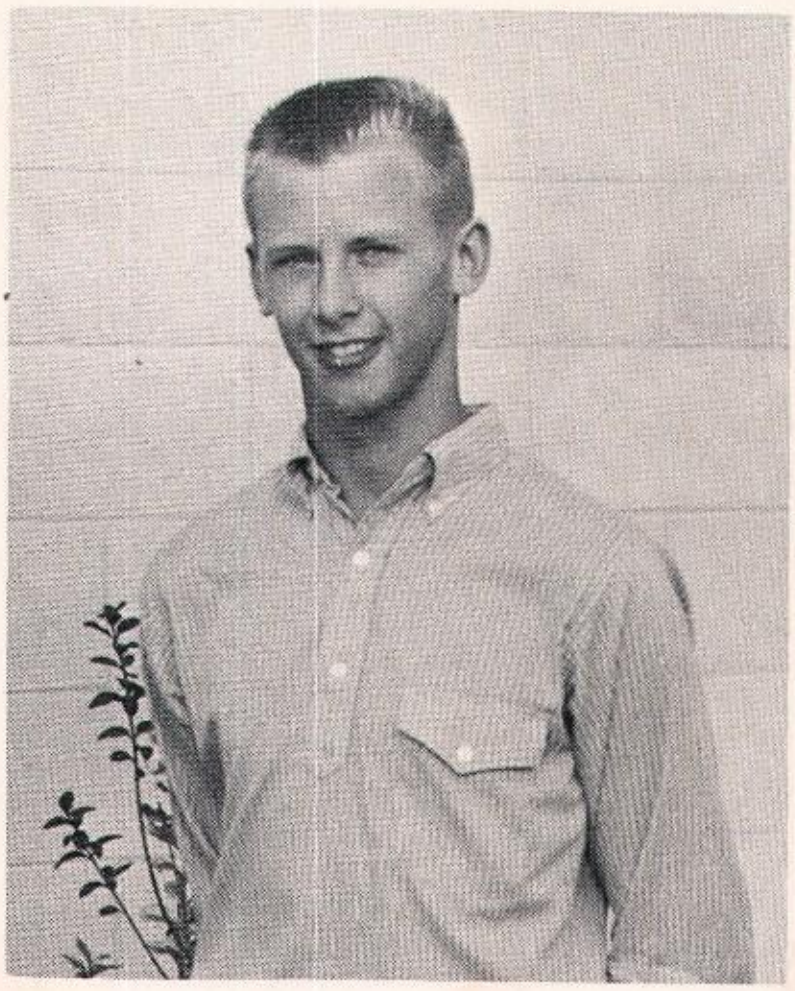


The selection of the outstanding Band student of the school year was made by the director and the students of the band. Joe Mills is student director and has been active in all the appearances of the Pep Band. His leadership abilities and his conscientious efforts in the interests of the band more than qualifies him for this honor. Unselfishly Joe has served the band and the school in matters pertaining to our instrumental music program.

Physical Education

The Outstanding Senior High School Athletic Award in Girls Physical Education was received by Diane McFadden. Diane is a dependable member of the Physical Education Department. She is respected by her fellow students and is a good student. She possesses many friends and is interested in many fields of work. She is a leader in her extra-curricular activities. She has been a great help in organizing the Girls Athletics Association, which is still in its infant stages. Diane works well with groups of all ages and has a habit of success.

Diane McFadden



Carl Herrmann

The Boys Physical Education Department is proud of its outstanding senior high school member for the year 1961-1962--Carl Herrmann. This gentleman is an enthusiastic member of the physical education classes. He takes an active part in all the intra-mural activities presented by the department. Carl sets an excellent example to be followed by other students in physical education. His sense of fair play and good sportsmanship and cooperative spirit make him a good citizen of the department as well as of Maynard Evans.

The Trojan citizens who have received the aforementioned awards represent another first in the history of Maynard Evans High School. It is the hope of the present Chariot Yearbook Staff that this tradition be continued in the yearbooks yet to be published. This living tribute has been established to honor those who give generously and unselfishly of their time and effort in the interests of a better student body and a better school.

VOLUME III . . . *Minor Biographies*

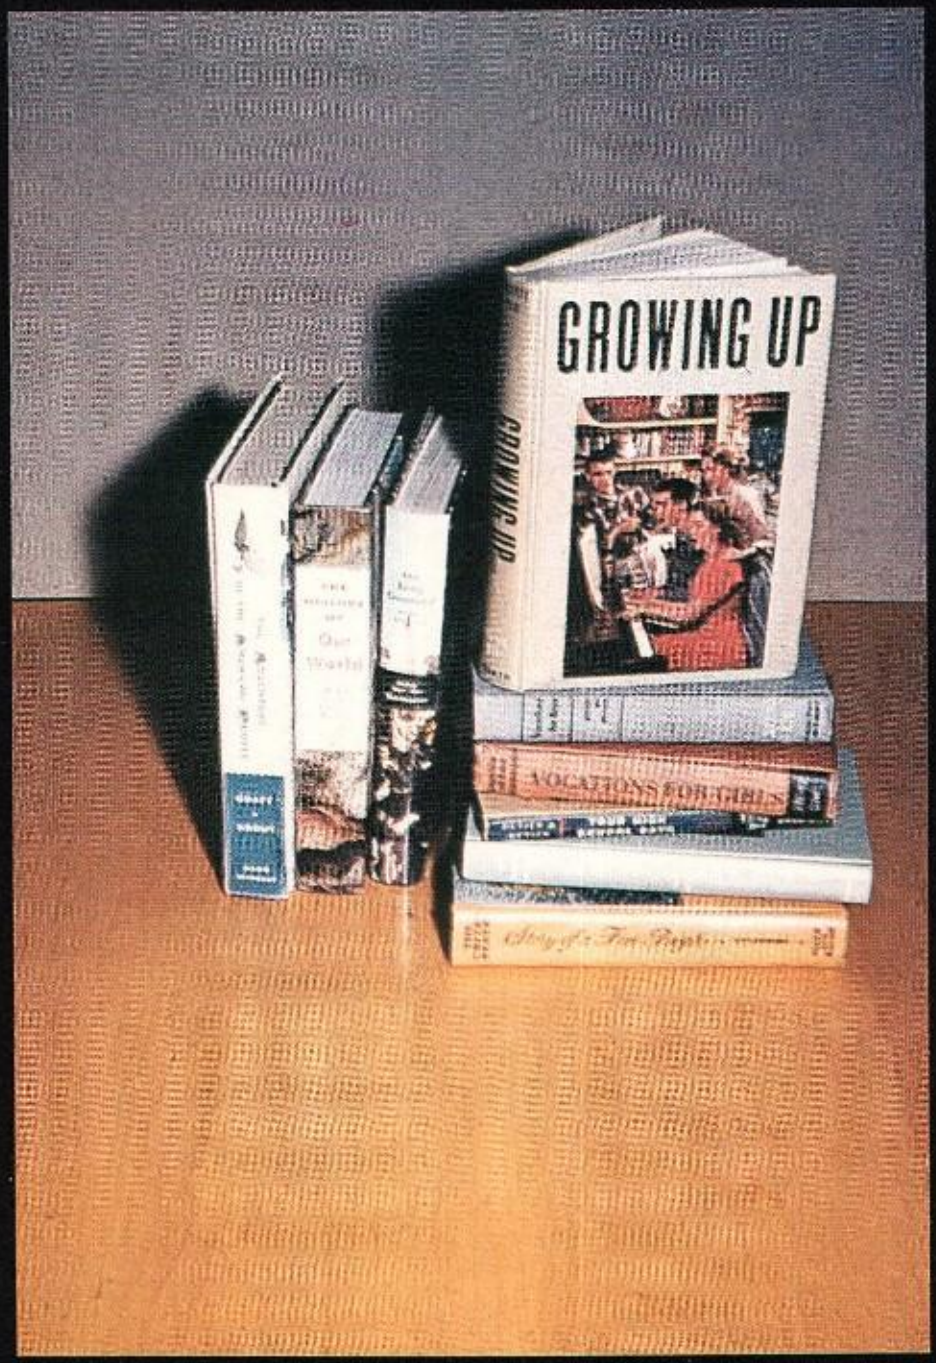
The underclassmen this year began the term with an air of excitement and anticipation. They had much for which to look forward. As well as the routine of required subjects they had the added privilege of choosing extracurricular activities which appealed to their interests. There were a number of clubs from which to choose membership, and those interested in sports, music, or service to the school were given many fields to enter.

The juniors came back to school this year with a large part of their high school behind them. Besides their determination to produce good marks, they anticipated a good junior-senior prom. They also wanted to do their best this year because next year they will be the leading class.

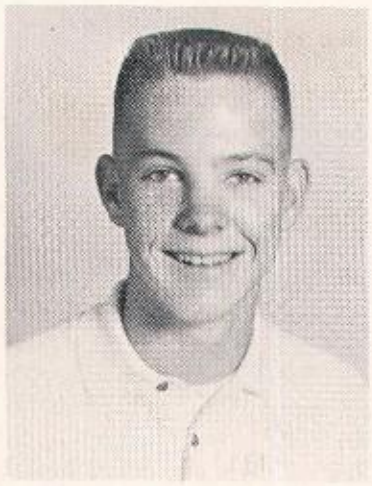
The sophomores were proud to be entering senior high and were anxious to make a good impression. They soon settled down to the daily routine and readily joined in the new activities.

The junior high has its own organizations, student government, and assembly programs. They are not connected with the senior high students, but carry on their own responsibilities. School is an even bigger challenge to them because they have more years and work ahead of them.

Underclassmen



Juniors



Gary Hall

Andrea St. Onge

Dolly Klodzinski

Jan Barnette

Keeping in step with all the latest teenage fashions of our day, the Juniors arrived in September attired in Bermuda shorts and tennis shoes. Continental pants and knee-length shirts were definitely in vogue. All of these fads and fashions were noticeable at the Howdy Dancy sponsored by the Student Council.

Next on the agenda was the election of class officers. Nominees were chosen and voted upon by the Juniors. By this time things were in full swing and plans to strengthen the treasury were submitted. The ideas consisted mostly of the sale of popcorn after school and at all home basketball games, along with the presentation of the Junior Class Play.

All this time and effort went toward the financing of the Junior-Senior Prom, a year-end event sponsored by our Junior Class. The thrill of wearing that luxurious, new peau de soie gown and that crisp white dinner jacket was the reward for our many years of waiting for that glorious evening.

Juniors of 1961-62 will treasure the memories of the fun and excitement of the past year and look forward to the caps and gowns of the next year.

JUNIOR CLASS COUNCIL: ROW 1 (Left to Right) Dolly Klodzinski, Jan Barnette, Kathy Lemelin, Andrea St. Onge, Lynne Herbert, Rosemary Rankin. ROW 2 Mr. Newberg, Sponsor; Craig Spearman, Ronnie Chipman, Gary Hall, James Kvarda, Paul Sills, Bill Brown, Don Evans.

Sophomores

Enthusiasm; that's what sophomores are noted for! You are proud of being a senior high student and enter enthusiastically into the many, new activities of senior high life. You soon join new clubs and organizations, and high school athletics. Before long you find yourself together with more experienced Juniors and Seniors, fervently upholding our fine school spirit.

By mixing this undying ambition with the responsibility, loyalty, and experience which you will gain in the coming two years, you will have a unique recipe for success. As new senior high students, accept this challenge, and with this combination you cannot fail to benefit your high school. We welcome your interest and know that your growing efforts will make you a good and loyal citizen of M.E.H.S.

VOLUME IV . . . *Encyclopedia of Events*

As a break from our daily studies come our extracurricular activities and organizations combining their efforts to produce a more healthy relationship among students.

Participants from various clubs display their interests and talents and profits from the individual achievements of others. From our clubs we receive benefits other than what we receive in the classroom, and which we acquire on our own. Our clubs are character building and in most cases prepare us for future vocations. They hold social and intellectual activities which benefit the whole student body. Our clubs and organizations are a great credit to the entire school.

Of our activities the most appealing to our esthetic sense is the plays which are put on by the students. The junior and senior class plays provide much pleasure and enjoyment, and offer good experience to those participating in them.

In our activities we include school-sponsored dances and proms. These are one pleasure which we all enjoy and look forward to with great anticipation, and are willing to offer assistance in their planning.

All of these things plus many others all go together to compile the activities in which our students participate. They are just another way of demonstrating our loyalty and interest in our school.

The main purpose of the Student Council is to represent the student body in governing their affairs under the supervision of the faculty.

Every year the main project of the Student Council is to sponsor the activities of Homecoming: selection of queen candidates, parade, and dance.

For the first time at Evans, the Council undertook the presentation of the "Sweetheart Ball" in conjunction with the annual "Sweetheart Contest".

At the annual New Year's Eve Ball held at the Youth Center, Evans played host to the students of the various schools of Orange County. The Student Council decorated the Youth Center for this occasion.

Under the supervision of the Student Council, a Student Court has been established at Evans. In the coming years, this new project will fill a great need of the student body.

Also, through the efforts of the Student Council, an alma mater was composed, and a school flag was designed. It is the hope of the Council that future councils will carry on the fine traditions now existing in our school.

The success of a yearbook depends on a well-orga group with every phase of the yearbook discussed step by each person presenting ideas for a good book.

First the editorial staff of the yearbook must plan the style, and type of book. Pictures are planned and schedul individuals and clubs. While this is being done, yearbook r sentatives throughout the Junior and Senior High Schoo selling subscriptions for our book to the student body. A tisements from local businesses are solicited by our bus staff and records are accurately kept.

After all these coordinated efforts are accomplished, the rbook company sends proofs of our book to be proof-read mistakes and possible corrections before the finished copy ent to print.

Lastly - in May an assembly program is held where stu- s and teachers honored in our book are presented to the p. After this program, our seniors are given a special od to receive and autograph their books first.

TROJAN TRIBUNE

The MODERN SCROLL

Ron Hess, Ass't. Editor; Bruce Dudley, Editor; Chris Hubbard, Bus. Mgr.; Mr. Branyon, Sponsor.

Staff members of the Trojan Tribune have worked hard this year to keep the student body informed about the big events which took place on the Evans' campus this year. Some of the news making incidents that the staff covered were Homecoming, the Sweetheart Contest, the Junior Class play, and all the athletic events.

Besides reporting the news, the staff invited anyone who wanted to express his ideas on a subject affecting a school community to write them a letter which would appear on the editorial page of the Tribune.

Monthly Paper Covers Trojan Activities

Another service supplied by the staff has been its reporting of school news to the area newspapers which included the Evening Star and the Orange Peel News and Shopper.

In the future, the staff hopes to come out on a regular basis, but since most of the staff was inexperienced this year, it was impossible to do this. The staff is now looking toward next year in hopes that each student will support the paper with 15 cents.

The Service Club helps the school, teachers, and community in any way possible. The members do this by selling concessions at basketball and football games. They also help churches and other organizations with projects, such as the Lions, Civitan, and Dad's Club. They fill Christmas baskets with food and distribute them to the needy. Several dances and bake sales are sponsored by the Service Club in order to raise money for the library.

The purpose of the National Senior Honor Society is to give recognition to those students who have excelled in their high school careers. The members are chosen on the merits of scholarship, leadership, character, and service and must continue to excell in these areas to maintain membership.

The Honor Society has complete charge of the senior high bookstore. It also sponsors a free tutoring service for all students in all subject areas.

We hope that those chosen to represent the Honor Society in the future will continue to live up to its standards and by doing so live a life of service and leadership.

Tri-Hi-Y Is Successful Service And Social Club

The Tri-Hi-Y is composed of senior, junior and sophomore girls who are interested in the club because it gives them friendships, activities; such as parties, dances, sports and opportunities to learn many of the skills in social relations and leadership.

The club works toward higher ideals, using as its guide the national purpose: "To create, maintain and extend throughout our home, school and community high standards of Christian character."

The club usually meets once every two weeks to conduct business, make plans for dances, parties and projects.

Tri-Hi-Y is part of the local YMCA and of a large national association of more than 400,000 high school girls and boys in the United States.

Active Service Clubs

The objects of the Key Club are: to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to co-operate with the school principal, to prepare for useful citizenship, and to accept and promote the club's ideals.

This, the first year for the Key Club at Evans, has been a successful one and we feel that we have set standards for service clubs in future years. Our main projects have been the organization of the Homecoming and the publishing of the student directory. We attribute our success to our hard-working sponsor, Mr. Winjum.

Wheel Clubs International, and Rotary International may well be proud of their Evans branch this year. Our Wheel Club carried on the work of past clubs, placing one ideal above all others. . . Service.

The Wheel Club included in its activities for the school this year: Parking cars at all home football games, painting the goal posts and making a sign for the stadium. We presented two dances this year, one being an alumni dance in the spring. The traditional Seniors vs. next year's team basketball game was held in March and we also sponsored an assembly for the seniors, introducing them to the Rotary's famous 4-way test.

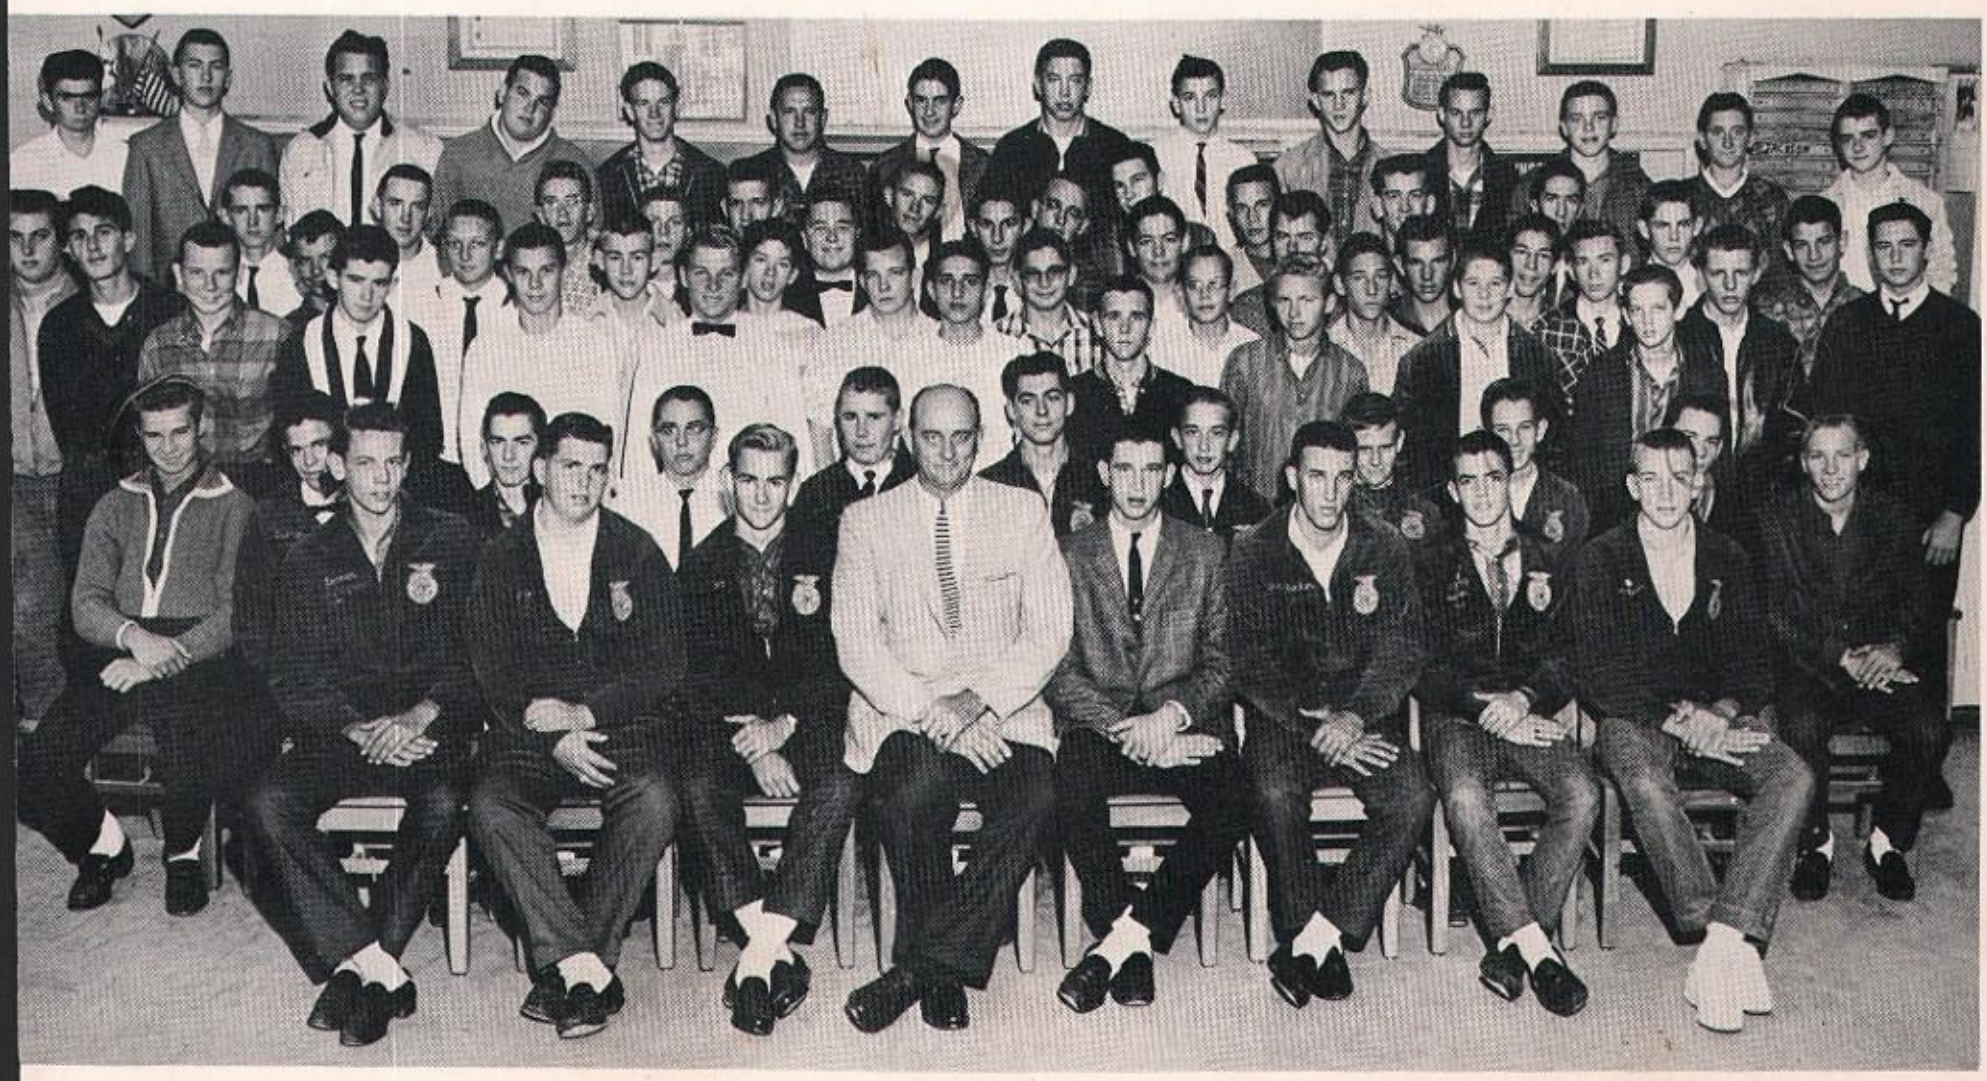
F. F. A. Trains Useful Vocations In Agricultural Field

During the first year the agriculture students study animal science, crop enterprises, forestry, and farm mechanics. The second year they study animal science, poultry dairy science, beef cattle enterprise, and farm mechanics. The third year is devoted to animal science citrus enterprise, ornamental horticulture, home beautification, farm mechanics, and parliamentary procedure.

During the course of the year the F.F.A. has a parent and son banquet, puts on an exhibit at the Central Florida Fair, enters a public speaking contest, horseshoe pitching contest, tractor driving contest, and continues the beautification of the school grounds.



FIRST ROW: Bob Leaman, Henry Thompson, David Radford, Leonard Witte, Don Hair, Gerald Magano, SECOND ROW: Barbara Thompson, Dolly Klodzinski, Linda West, Sandra Crews, Virginia Dye, Alice Sprague, Sandra Entwistle, Margaret Stinson, Brenda Newton, Rita Rivers, THIRD ROW: Miss Elvery, Charlotte Donaldson, Diane McFadden, Mary Hair, Beatrice Buchhold, Paula Kattenhorn, Janet Wikel, Donnie McDuff, Mr. Girroir.

Future Teachers Serve Evans As They Prepare For Future

Miss Elvery
Sponsor

The Future Teachers Club is for those students who are interested in teaching as a profession. The members develop their interest through programs such as movies, panel discussions with teachers and interns, and guest speakers. Each year the members visit nearby schools to observe and try teaching methods themselves.

The FTA has one money-making project a year - a dance in September. During American Education Week the members honored the faculty at a reception. Other projects were: attending the State Convention in Clearwater, having a clothes drive for needy children, participating in the Homecoming Parade, Sweetheart Contest, and helping members win scholarships.

The Future Business Leaders of America is a national organization, organized to help business students achieve leadership, scholastic, and vocational abilities before entering the business world. The projects of the club this year were: sponsoring a stenographic bureau, making and selling candy, and holding clean-up-campus campaigns. The activities of the club included an installation of officers and club members and a skit on Office Do's and Don'ts.

Future Business Leaders Plan Careers For Future

DCT and DE Students

The Maynard Evans Chapter of the Distributive Education Clubs of America has compiled an outstanding record in the two years that it has been preparing students for the business world. The activities and abilities of the group have brought recognition to Maynard Evans High School throughout the State by winning contests and electing State Club Officers. Not satisfied with just that, members, with the help of MINUTE MAID orange juice, lead the campaigning which elected a Florida D.E. student as the South Eastern Regional Vice-President at the National Leadership Conference in Chicago.

D.E. students learn and earn by the cooperative plan. From this group will come the future leaders in the fields of marketing and distribution.

Next time you notice a well-dressed Junior or Senior who has a snap to his walk, who seems to know where he is going, and who acts just a bit more mature, watch him--all the way to D-3.

Diversified Cooperative Training offers on-the-job training to select Juniors and Seniors in trades, industrial, technical distributive and commercial occupations. Students in the program spend on-half day in school and one-half day on the job. Club activities aim to promote cooperation among members, to develop social experiences, and to foster understanding and appreciation of the DCT Program in the school and in the community. Each member desires recognition as an ambitious student, efficient worker, and valuable citizen. Plans for each year include participation in State and District Conventions, an Employer-Employee-Parent Banquet. A club project that serves as a remembrance to students is a part of student work each year.

The Spanish Club had a full and active year. The very attractive float entered in the Homecoming parade took first prize and earned the club treasury $5.00. The Semi-Formal Christmas party was given in December and was a big success. In February the club sponsored a St. Valentines Day Dance for the student body and turned out to be very enjoyable. The club members attended the Cervantes Festival sponsored by Rollins College every year and to highlight the year was the annual Spanish Club Banquet. Members of the club enjoyed Spanish food and entertainment at its best.

The Biology Club is composed of those students who show an interest toward the biological sciences, and enjoy learning while having fun. Field trips are just one of the many highlights that members enjoy. Trips this year were taken to the State Parasitology laboratory in Kissimmee, a private hematology laboratory in Orlando, a citrus laboratory in Winter Garden and a trip to Gatorland. A week-end trip to Daytona Beach in May climaxes the year's activities. Members and sponsors stay at Elinor Village and visit Marineland and places of local interest. Monthly meetings consist of showing biology films, lectures, laboratory work and general business.

The Future Doctors Club is associated with the Florida Medical Association which instigated its origination. A physician serves as coordinator for the club.

There is a monthly meeting with the teacher-sponsor and a physician. These doctors who represent all branches of the profession present lectures to the students. Movies are used occasionally instead of lectures.

The Club makes occasional tours of hospitals where a special effort is made to give Future Doctors a view of the work of physicians in all fields.

There will be an annual visit of the Medical College of the University of Florida in Gainesville. This, we feel, will stimulate a keen interest on the part of the student to select medicine as their career.

During the 1961-62 school year the Junior High Student Council accomplished many worthwhile projects. The proceeds of the magazine drive was spent on school improvements. The Council purchased and had planted around the Junior High buildings different types of shrubs. School beautification was stressed throughout the year by the Council. At the end of the school year the Council purchased a new school flag for Maynard Evans.

Devoted Students Receive Recognition

Scholarship, service, leadership and character are the key words in our organization. These four words describe the qualification of every member. Our sponsor, officers, and the other members of the Honor Society were chosen because they met these qualifications. Mrs. Martin stresses these four points, for she believes, as all of us do, that a person has to accomplish more than just good grades. Our goal, is to help our school and to honor those who deserve it. We hope that you will be one of the most fortunate students who are given membership in the Silver Star Chapter of the National Junior Honor Society.

Brenda Jarrell, James Schoenberg, Nelda Crews, Richard Johnston, Ann Murphy, Margie Juergensen, David Nicholls, Lynn Beuchat are Florida All State Chorus Members.

The purpose of the Choral Guild is to promote the art of music through singing. We also participated in district and state festivals here in Orlando and in Daytona Beach. In January, eight of the students were able to attend the FMEA Clinic in Miami and sing in the All-state Concert Chorus. We stayed in the fabulous Columbus Hotel.

Some of our projects were selling candy and having a float in the Homecoming parade.

Besides the annual Christmas and spring concerts, we also presented an American Pops Concert in the Fall.

The Annual Miss Maynard Evans High tradition was established in 1961. Clubs and homerooms of Evans High School submitted the names of their candidates for this honor to the committee organizing this annual affair. Mrs. Ruby Carson, at the time sponsor of the Trojan Tribune guided this activity. This year the Miss Evans contest is sponsored by the English Department with Mrs. Carson and Mrs. Myrtle Hubbard directing the program. This assembly program takes place on February 14. A Student Council Sweetheart Dance will climax the festivities and the new Miss Maynard Evans High is the honored guest of the evening.

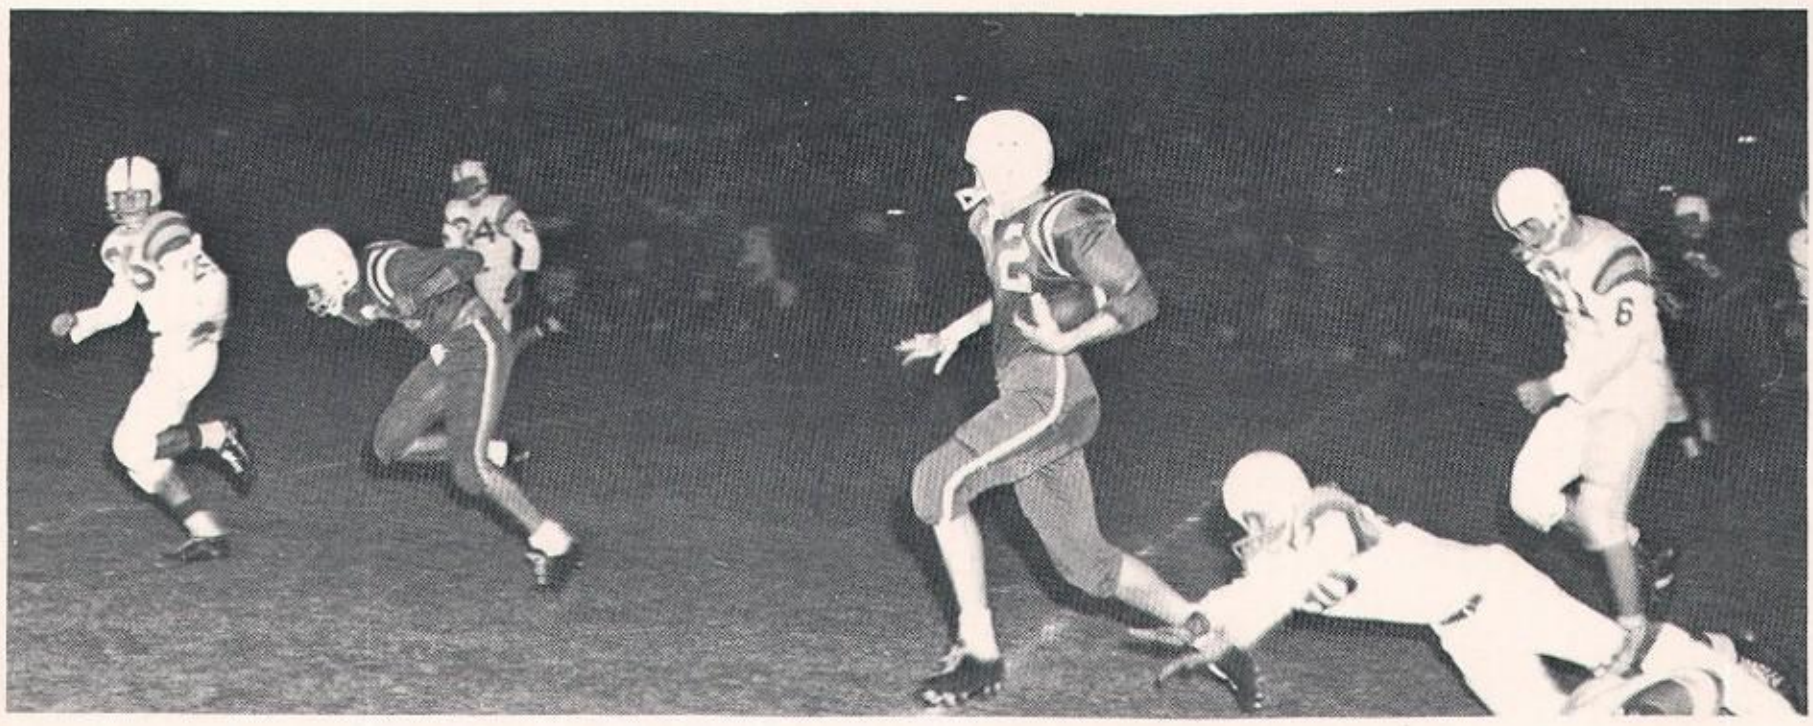
Initiate Trojans Homecoming



The Ocala victory somewhat dampened Homecoming spirit.

Beautiful decorations enjoyed by all.

Proud escorts stand by.

The third annual Homecoming week saw an enlivened Trojan student body band together as clubs, homerooms, faculty cooperated in making the annual affair a bigger and better success. Undaunted by a game loss, good school spirit prevailed.

Game . . .

Dance

In the fall of 1961 the Evans student body selected a Homecoming Court made up of the following girls: Francine Brooks, Charlotte Donaldson, Gail Hughes, Martha Reece, Sharon McAtamney, Cy Overman, Lynn Beuchat, Bonnie Hughes, Barbara Fox, and Sandy Elkin. From this group the Trojan football team made the final selection, picking Senior Sandy Elkin to reign as Queen at the Evans Homecoming Festivities. Sandy plans to enter the nursing profession after graduation from college.

Shown at left is the Queen and her attendants.

Below is pictured 1960 Homecoming Queen, Barbara Sigmon crowning Sandy at Halftime.

VOLUME V . . . *Physical Preservation*

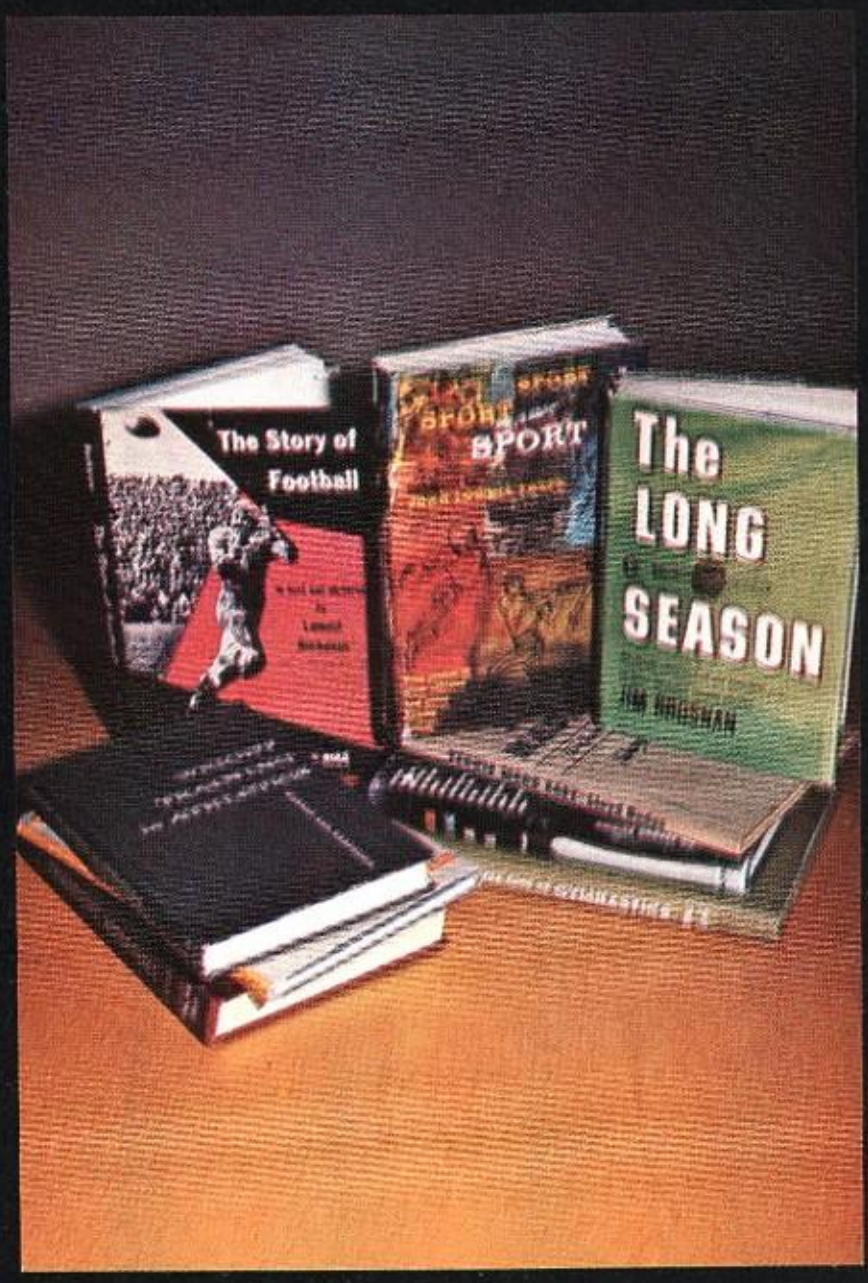
The highlights of our school activities are our sports. Sports are a way of giving our students a feeling of accomplishment. The students try to make their teams the best because a school is known and remembered for its outstanding sportmanship ability. Through sports, students feel a great pride and respect for their school and are willing to support their school.

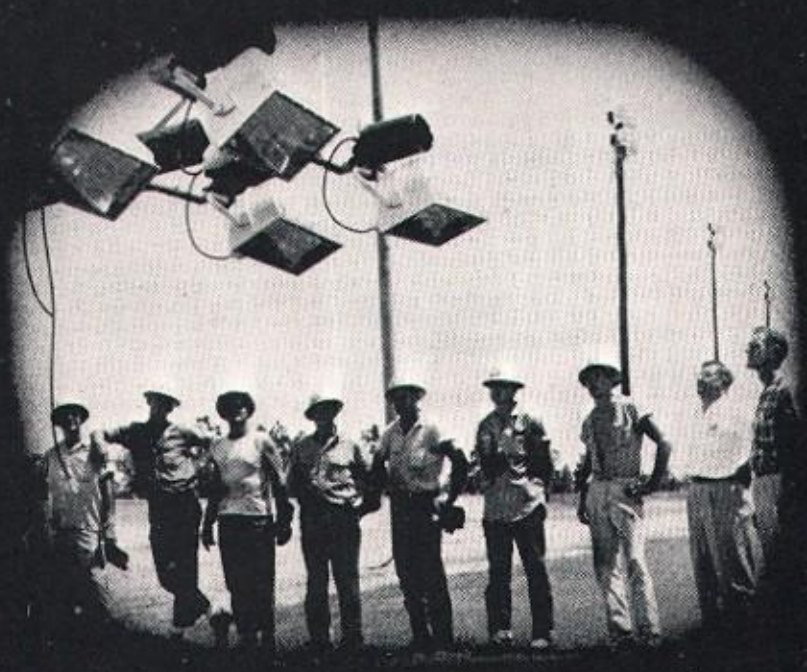
Among the varied sports offered in our school, there is one that will fit almost everyone's interest, including the girls as well as the boys.

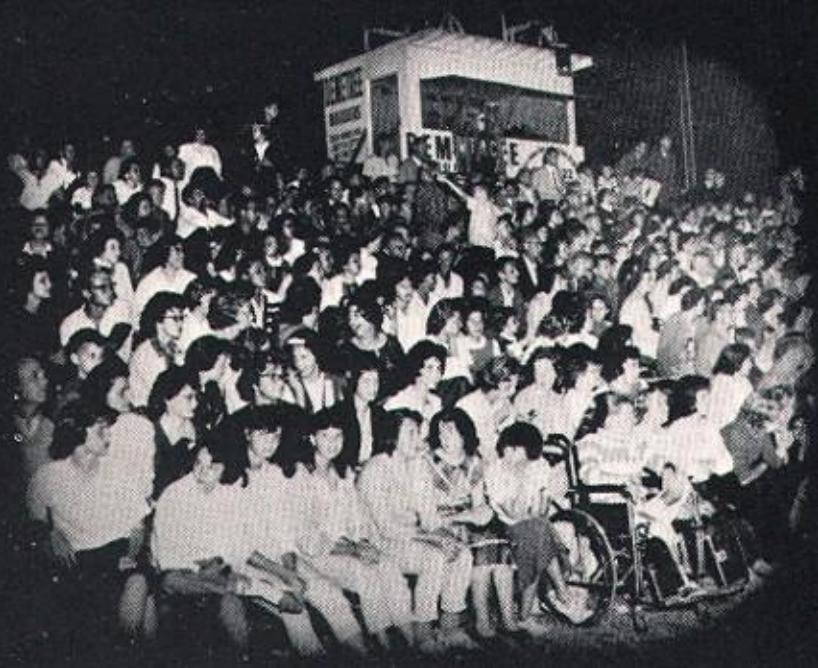
The boys on our various teams practice long and hard to strive for victory. They give up much of their own personal time to come out and help make a good showing for the school. The boys put a lot of hard work, personal time, and action into their games. When game time comes and victory is achieved, they realize that it was worth it.

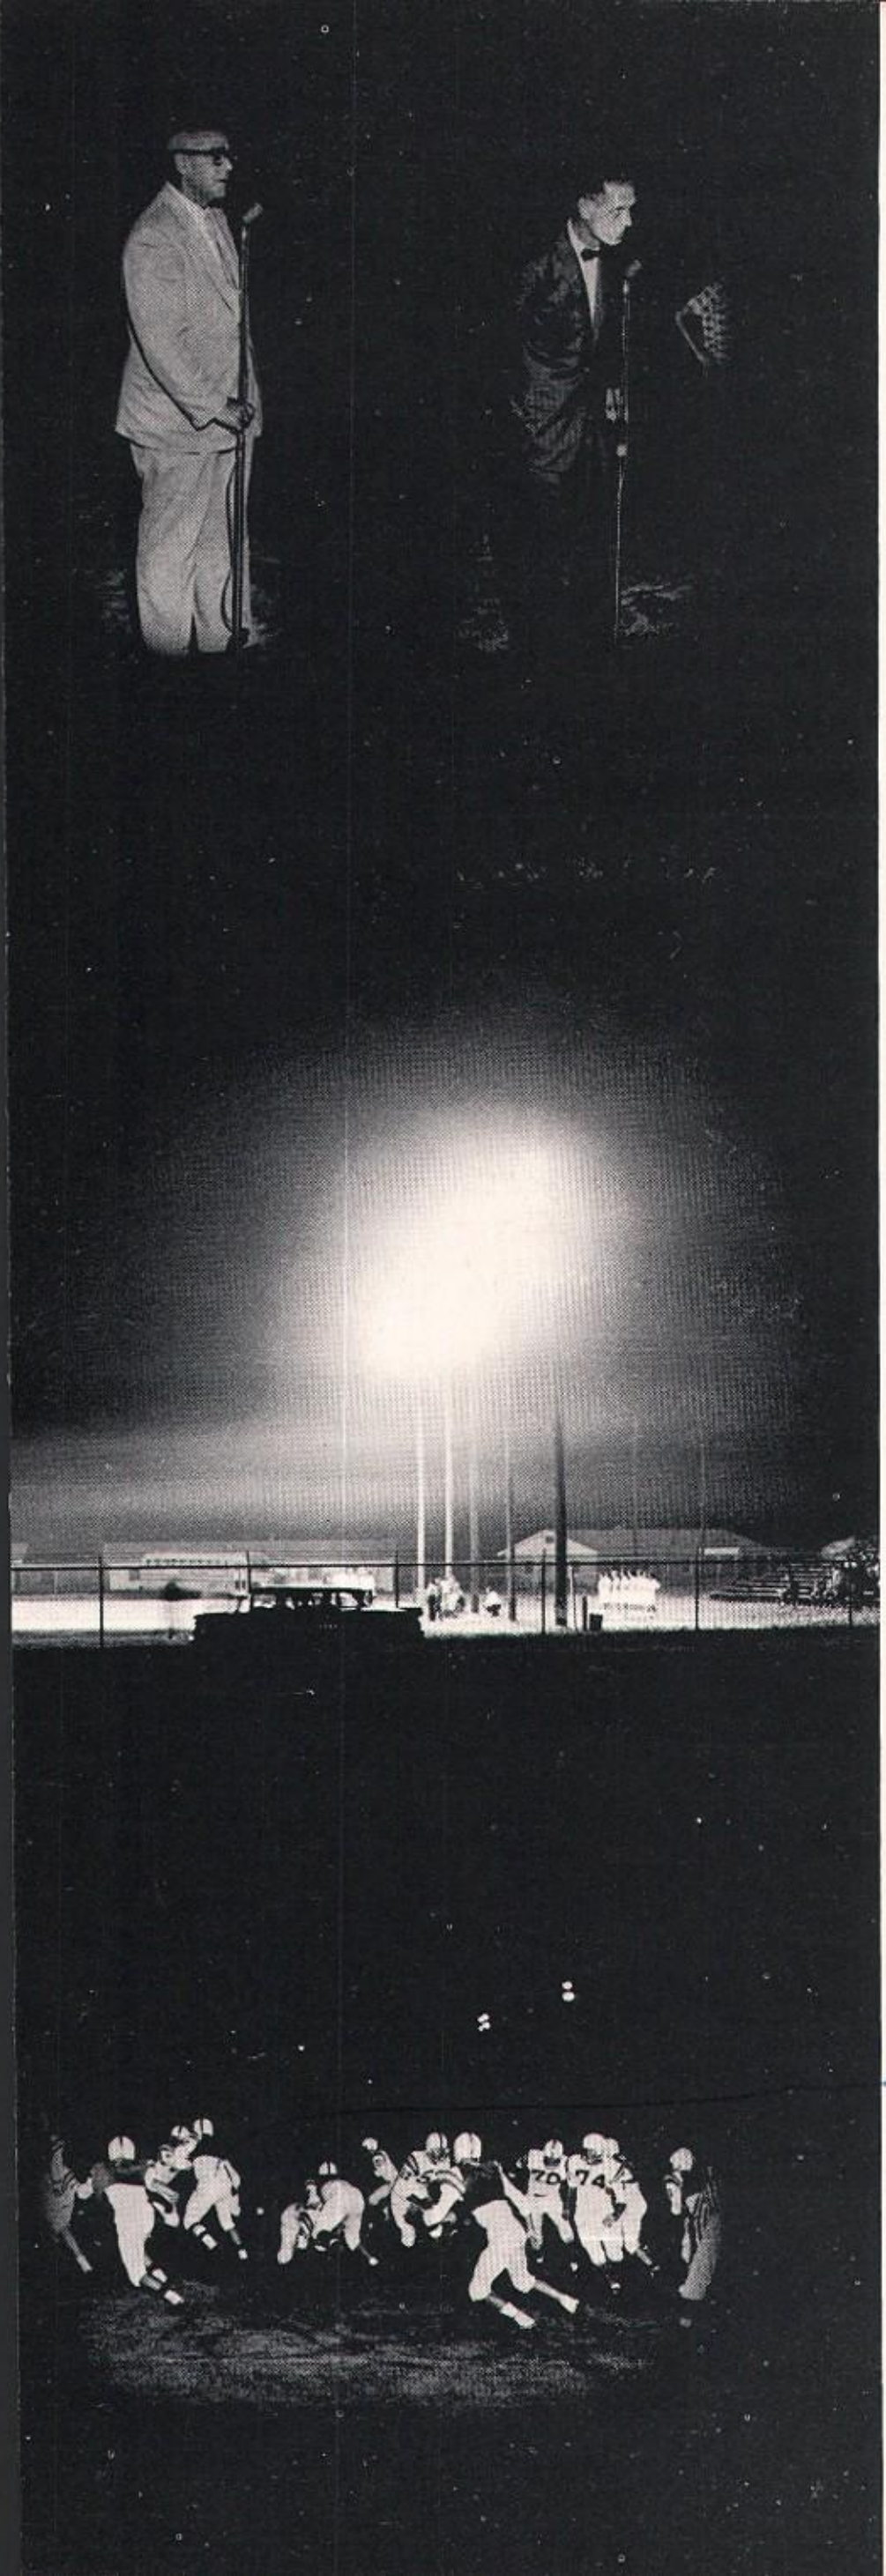
Sports are an important and a most benefiting part of our school curriculum. They not only bring recognition to the school, but also give each and every student the feeling of pride, accomplishment, and good sportsmanship.

Sports









Evans Acquires Stadium

As the students returned to Evans this year, there was something new on our campus. The Evans High Stadium was finally completed. The dream of the Evans High Dad's Club became a reality.

This project started early in 1959. Our principal, envisioning a future stadium, had the 290th Engineering Battalion of the Army Reserve clear several acres on the north end of our campus. In the latter part of 1959 the newly formed Dad's Club, under the administration of Mr. John Watson, continued the efforts toward the completion of a much needed stadium.

In the fall of 1960, after many days of hard work and planning the football team, for the first time had their own practice field. Later that year the Junior Varsity Football team played three games on the new field.

As the 1961 school year began, we found a remarkable change in our practice field. There are now lights, bleachers to seat over 3,000 fans, and a beautiful score board donated by the Coca-Cola Co. It was through the hard work of our Dad's Club, the Florida Power and Light Co., Demetree Builders, and Orange County Commissioners and other interested fans that we have our new stadium.

Backs and Ends

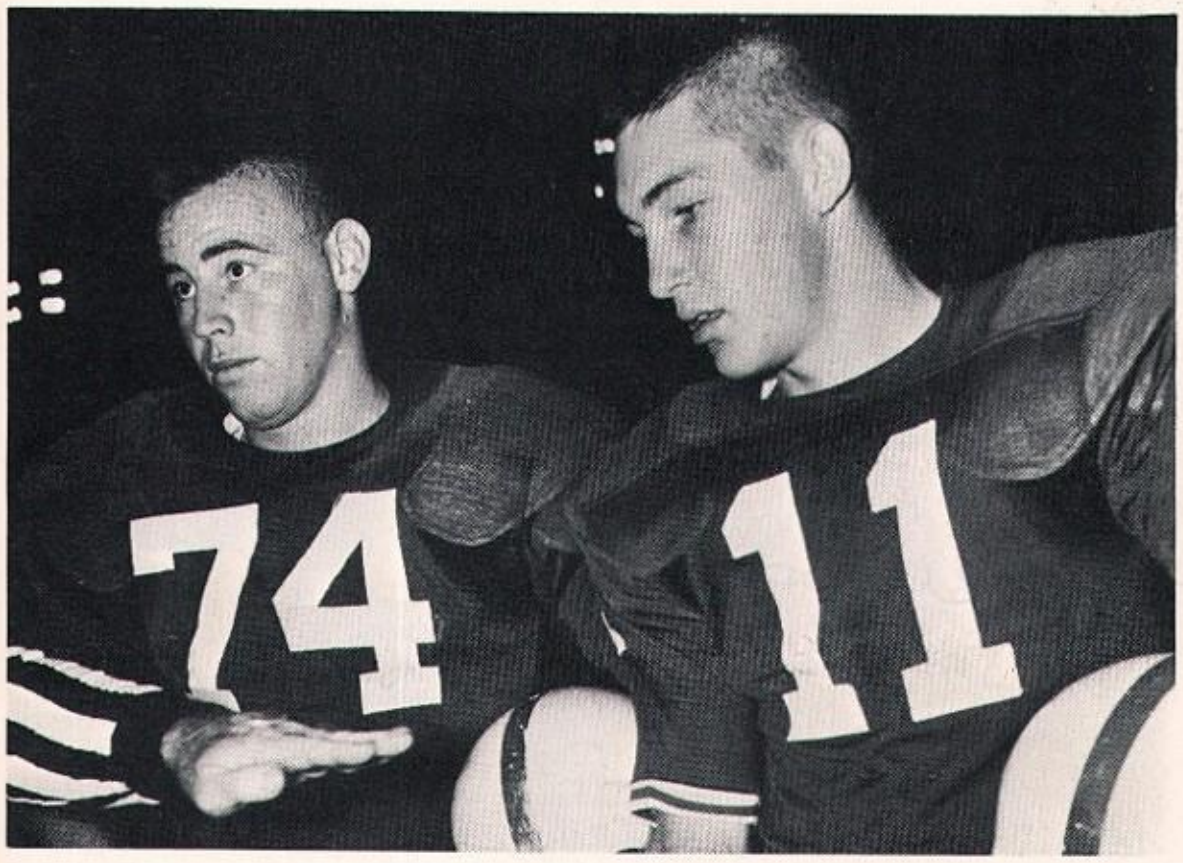
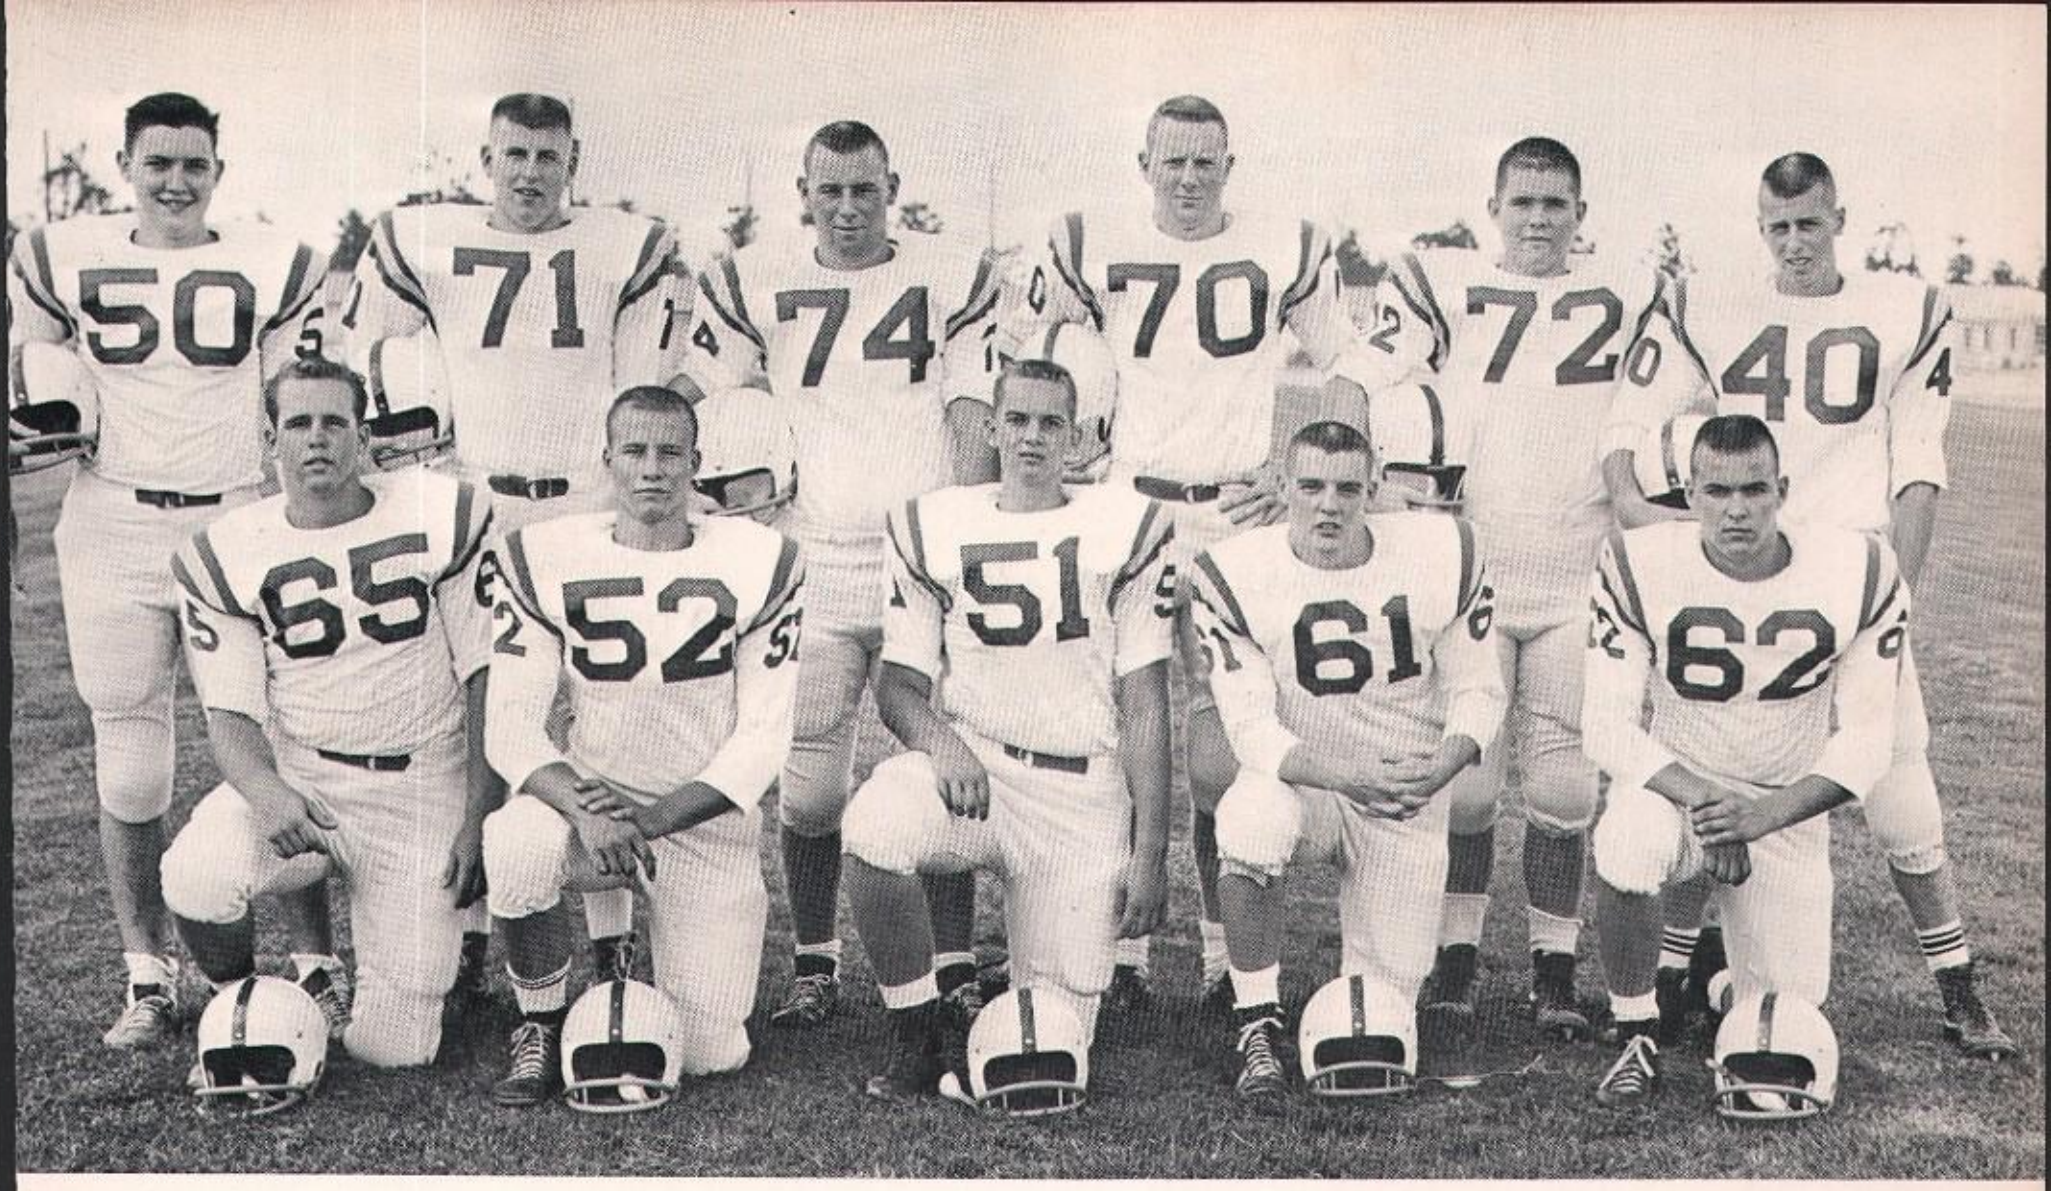
New Stadium . . . New Coaches Contribute

Co-Captains for the 1961 season: Larry Lehman and George Stallard.



Nineteen-hundred and Sixty-one was our first year in the highly competitive Sunshine Conference. Evans faired well not from a statistical standpoint but from the experience gained by the underclassmen.

Several additions were made this year in our Athletic Department. Among these additions were the appointments of Bill Alexander to assist the varsity coaches, Mac McKinnon and Gale Tuggle; Morris Stofle and Gordon Russ to direct the J.V.'s; and Jim Gosnell to head our newest team, the Junior High. The major change in our football program was the contribution of a modern football field by the Dads Club.



Linemen

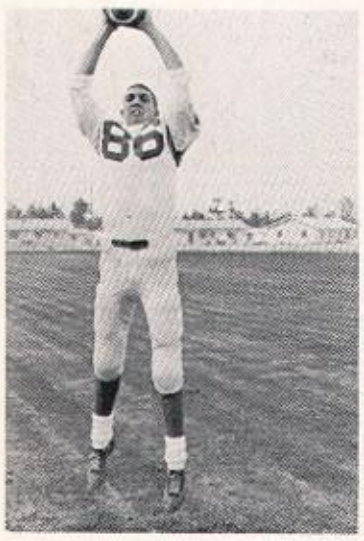
WINTER PARK

Evans, playing the first game in their new stadium, battled the Winter Park Wildcats to a 13-13 tie. A capacity crowd saw the Trojans draw blood first on a 50-yard pass from George Stallard to Bill Layman. From here the Trojans and their opponent traded a touchdown apiece. In the closing minutes Winter Park's tailback, Leslie King, rushed over the goal line to knot the score at 13-13.

Let's put the squeeze on him.



Bill Layman

Bobby Angel

Buddy Smith

Don Priem

DAYTONA MAINLAND

George Stallard played the leading role in our clash against the Bucs. Stallard's 76-yard return of a Mainland kick off and his 49-yard pass to halfback Cookie Miller accounted for the Evans' tally as the Trojans came out on the short end, 20-13.

Cookie Miller follows his interference for a 6-yard gain.

A hole opens up as Larry Hodges avoids a seemingly certain tackle.

GAINESVILLE

Outmanned and outclassed, the Trojans put up a tremendous struggle as they held top-rated Gainesville to two touchdowns in the first half. But the Hurricanes blew back in to score three more times in their 33-0 win over the Trojans.

Skip Stewart makes driving tackle on a hard-running back.

Cruuuuuunch

APOPKA

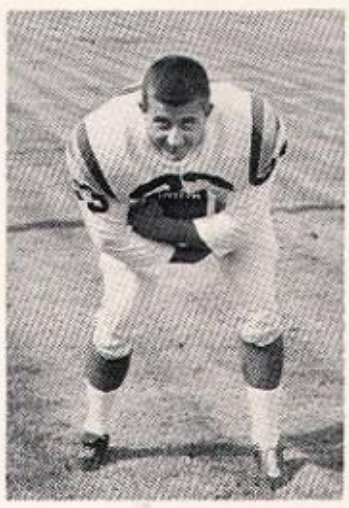
Everyone has their bad day, as Evans found out when they took their third defeat of the season against the Blue Darters. Evans could not stop the running attack of George Kevern who piled-up 133 yards against the Trojans. The Trojans only score of the evening came on a pitchout from George Stallard to Cookie Miller.

Larry Lehman

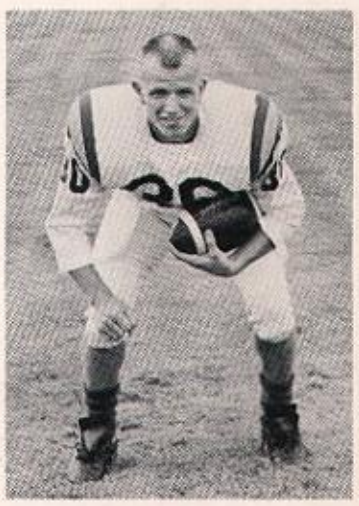
Steve Grannis

MELBOURNE

In the fifth of the Evans prep series the Trojans fell 26-0. Key man for the Bulldogs was Ken Hammond who led his team to their six touchdown victory over the Trojans.



John Pollet



Leo Jackson

COCOA

Returning to their home field, the Trojans were plagued by a run of bad breaks bringing about a 19-7 loss to the Tigers. Jack Ellington high lighted the game for the Trojans with his 87-yard return of the second half opening kick off.

Jerry Burgess

Ron Coleman

OCALA

Although failing to conquer the vicious single wing of Ocala, the Trojans were successful in ending the string of shut-outs held by the Wildcats. This attributed to Cookie Miller who scooped up an Ocala fumble and scampered for the touchdown.

A Colonial back is smashed by Trojan defenders.

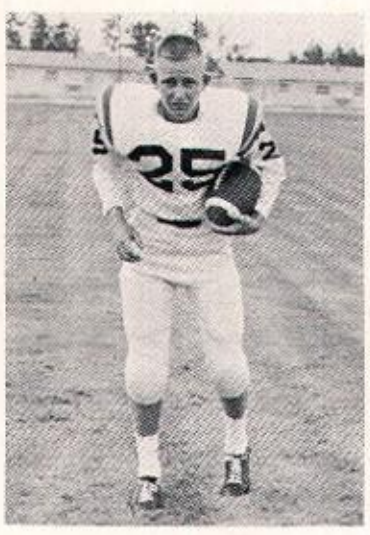
Trojan backfield fakes as Wiedenbeck plunges through enemy defensive wall.

Bob Walker

Cookie Miller

George Stallard

Skip Stewart



A head-on collision between George Stallard and an unidentified Grenadier.

BOONE

The Trojans and the Braves fought a nip and tuck battle all through the first half. But the story was different in the last two quarters. The Braves opened up with their "spread" offense to take the win over the Trojans. Turning in a fine performance for the Trojans were Jack Ellington and Larry Hodges who gained much of the yardage for Evans.

EDGEWATER

Jerry Tilley starred for the Eagles in the smashing 38-0 defeat which the Eagles handed to the Trojans. The Eagle ace could not be stopped as he ripped his way through the Evans' defense to score 2 out of Edgewater's 5 touchdowns.

COLONIAL

The Trojans ended the '61 season against arch-rival, Colonial. Evans was held to short yardage until the closing minutes. It was then that Steve Grannis entered the game to lead the Trojans on an 84-yard aerial attack that ended in a touchdown pass for Evans' only score of the night. But Grannis' attempt was in vain for the Grenadiers, who had already scored thrice, took the contest 20-6.

One down, ten to go!

Stalwart JV's Complete Another Season

The Baby Trojans, under the leadership of Morris Stofle and Gordon Russ, finished the '61 season with a record of 1 win, 4 losses, and 1 tie. The Trojans, plagued by injuries to key players, lacked offensive punch but had a solid defense throughout the year. None of their six opponents scored more than one touchdown.

Highlights of the season were the 14-0 win over Bishop Moore and the final game, a 7-7 tie, with cross-town rival, Colonial.

Co-captains for the Trojans were Larry Allen and Wayne Thomas.

Season's Record

Evans		Opponents	
6	-	Lakeview	7
7	-	Colonial	7
0	-	Edgewater	6

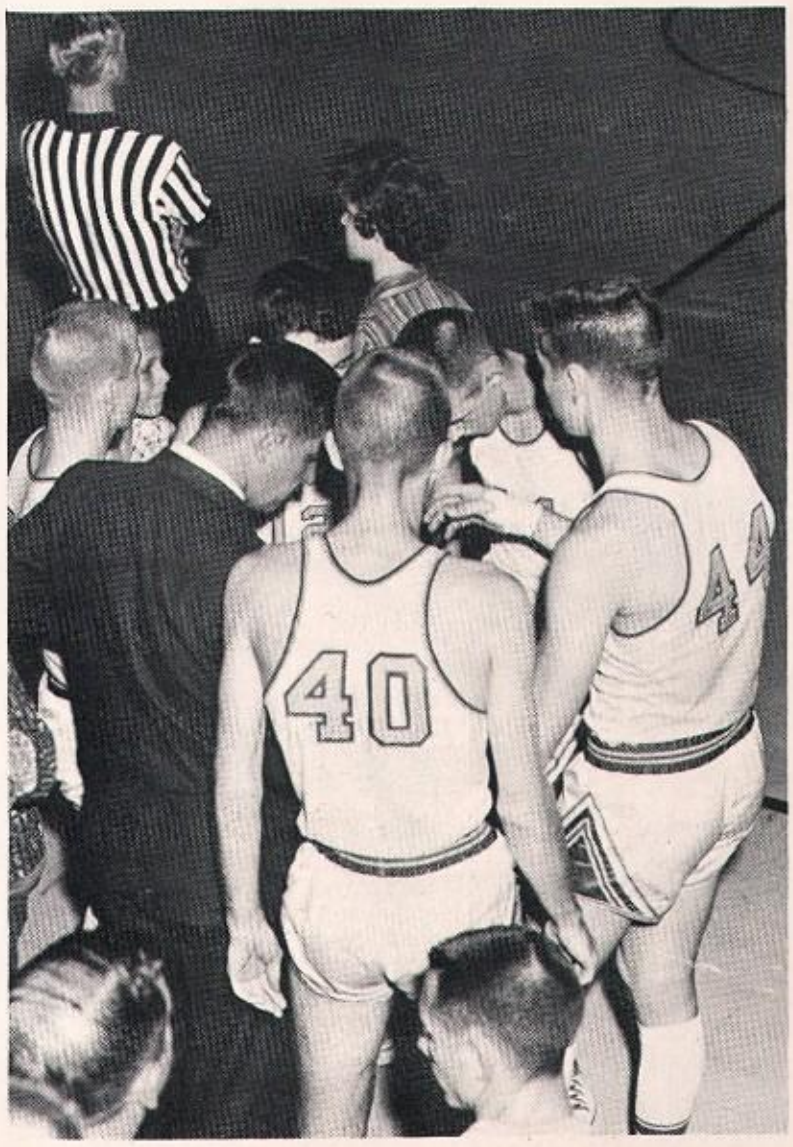
Teamwork And Hustle Insure Winning Season

Thanks to nothing but determination, hustle and clean sportsmanship, the 1961-62 Evans basketball team highlighted the athletic school year with an outstanding season. Under the expert guidance of Coach Fred Pennington, the Trojans downed many class AA teams in the Sunshine Conference. The Trojans took six in a row before suffering their first defeat and topped their season by winning the Tangerine Bowl Christmas Tournament. There is credit due to the team that made this outstanding season possible.



Tangerine Bowl Champs

"Ball-Hawking" Tactics Result In Tangerine Bowl Championship

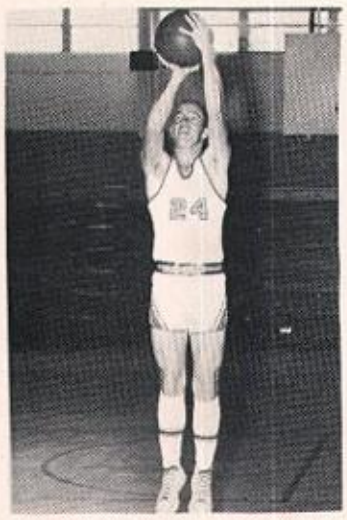
Tommy Heath adds two more for the Trojans.

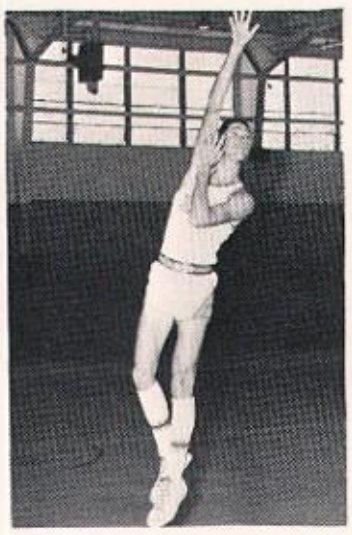
Tight defense enables Ed Siemer to pick off wayward pass.

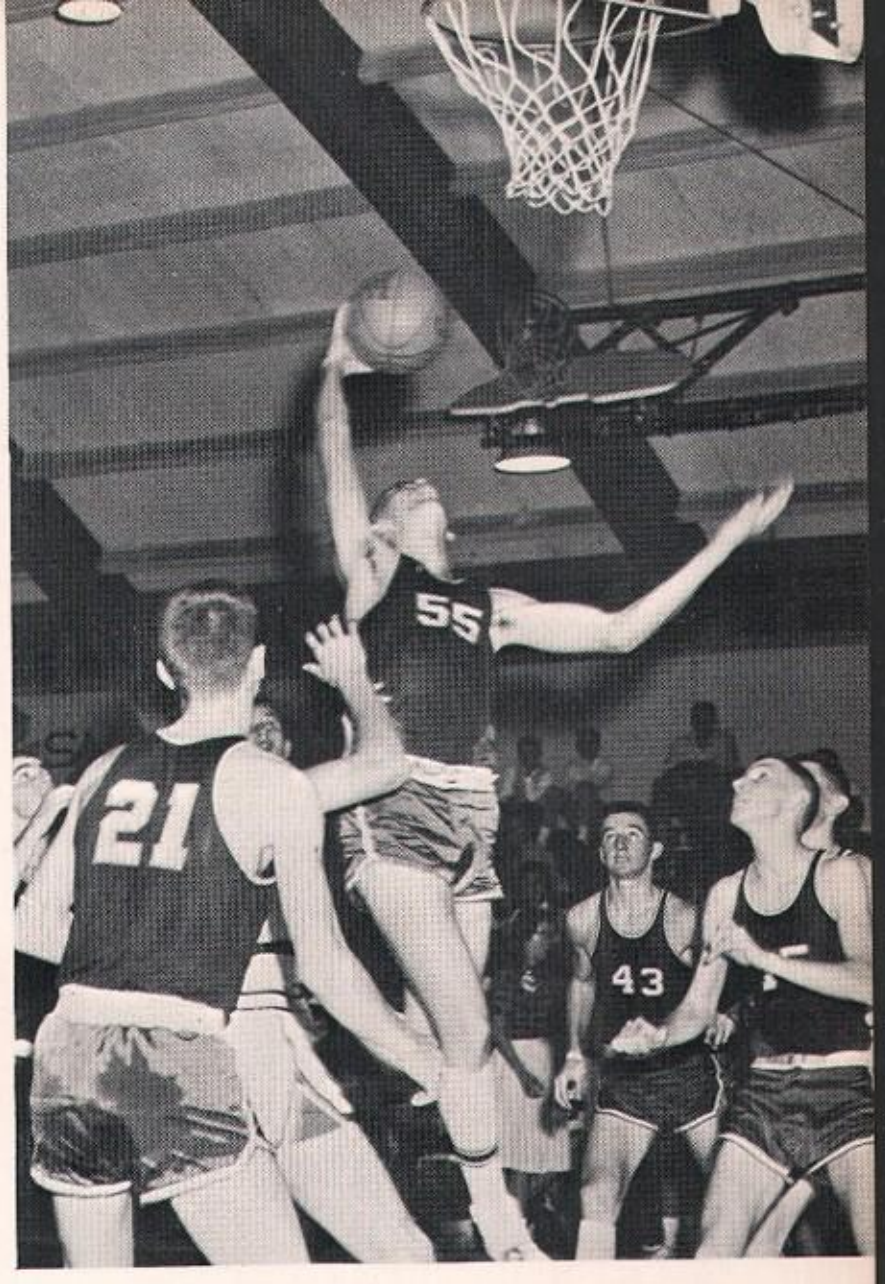
The Trojans successful season was highlighted by copping the Tangerine Bowl Basketball Tourney championship.

In the opening game the small Evans squad faced Daytona Mainland, a team of undefeated giants. For the Evans team, whose tallest man was 6'2", the game looked over even before it began. But the faster Trojans completely controlled the game, picking off rebounds from the taller Bucs, and slowing the game to a deliberate pace. In the tourney's biggest upset, Evans downed Mainland 41-29. The next night the fired-up Trojans met Colonial and soundly threshed the Grenadiers, 63-48.

In the thrilling finale, Winter Park met the Trojans on even terms and going into the final minute of play the Trojans held a slim one point lead. With 1:09 left to play, the Parkers got the ball and tried frantically to get off a winning shot but the tough Trojan defense stopped the Parkers cold, and left them holding the ball. As the final buzzer went off the fighting Trojans walked away with a 43-42 victory and the frist trophy in Evans basketball history.



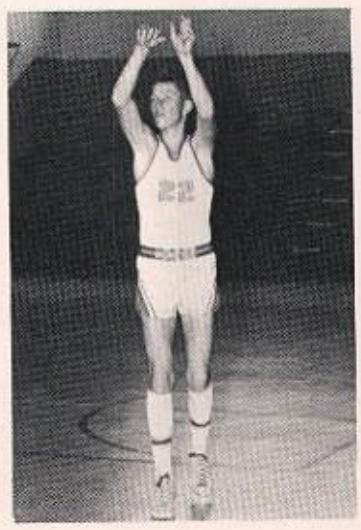


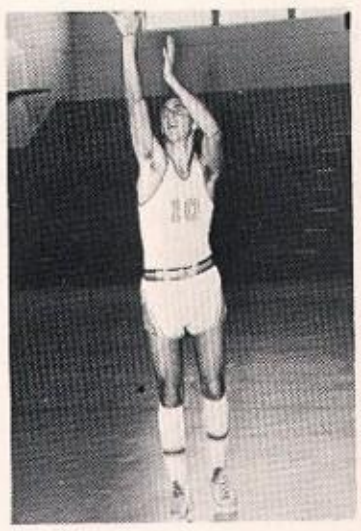


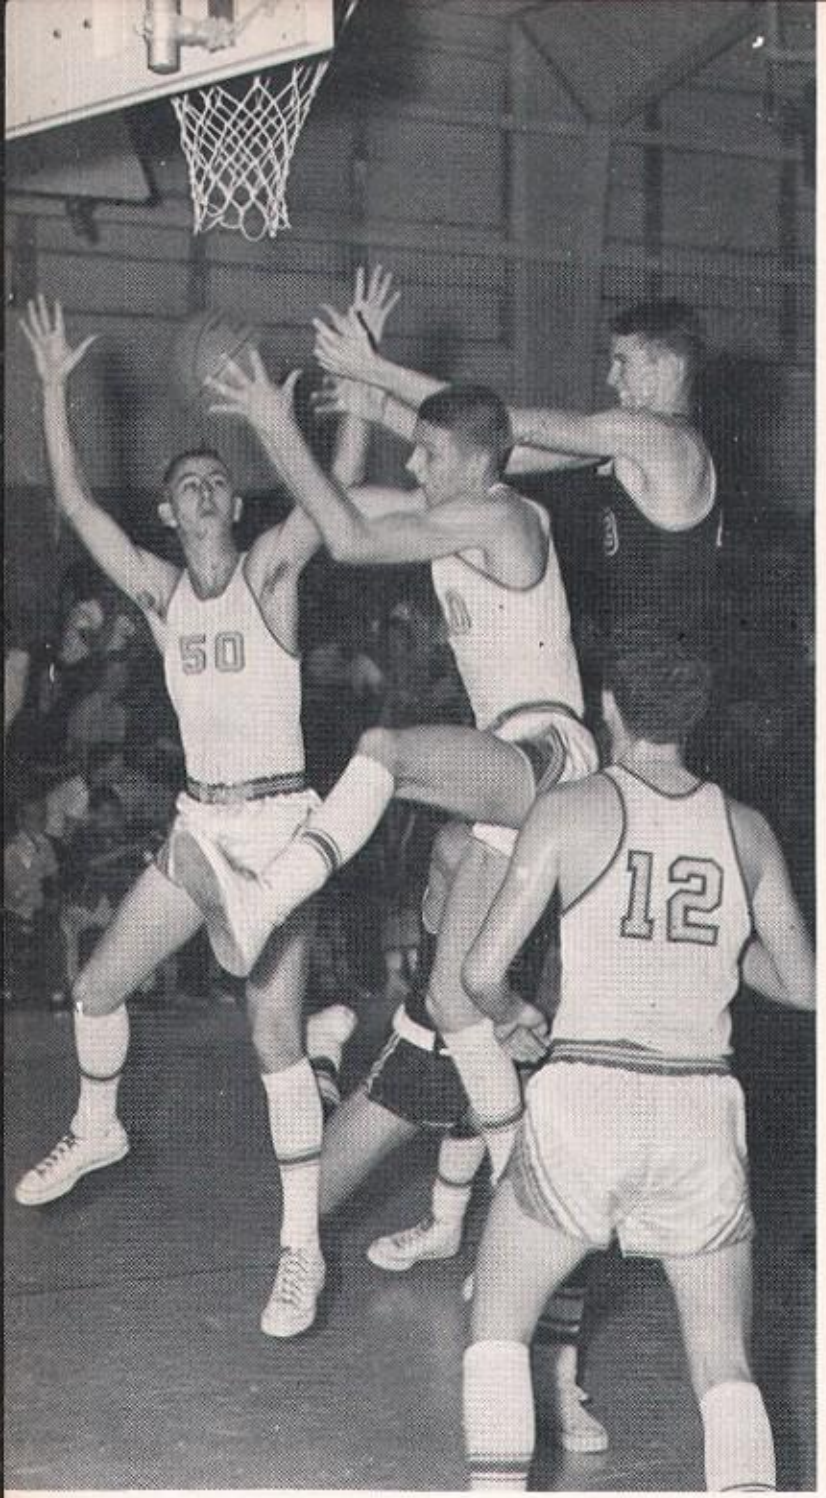
Seniors Leave Impressive Record

Much of the credit for Evans fine season must go to the seven seniors on the squad. Their valuable experience showing through, they were the staying power and nucleus of the team. They were especially effective in the clutches, helping to pull several very close games into the Trojans bag of victories.

The Chariot salutes the following seniors for their exciting play during the 1961-62 season. Bill Layman, tricky, ball-handling guard; Richard Maness, the team's most improved player and a steady rebounder; Roscoe Markette, irreppressible Roscoe, the team's top foul shooter; Joe Popson, his true value could only be seen by those who really know basketball; Keith Sigmon, an exciting player and a team leader in nearly all departments; Bob Walker, smallest senior, but a speedy thriller as well; and Jack Watson, deadeye shooter from anywhere inside halfcourt.







Bob Cumbie scuttles defensive rebounder.

Gainesville's Larue Boyd out jumps Tro

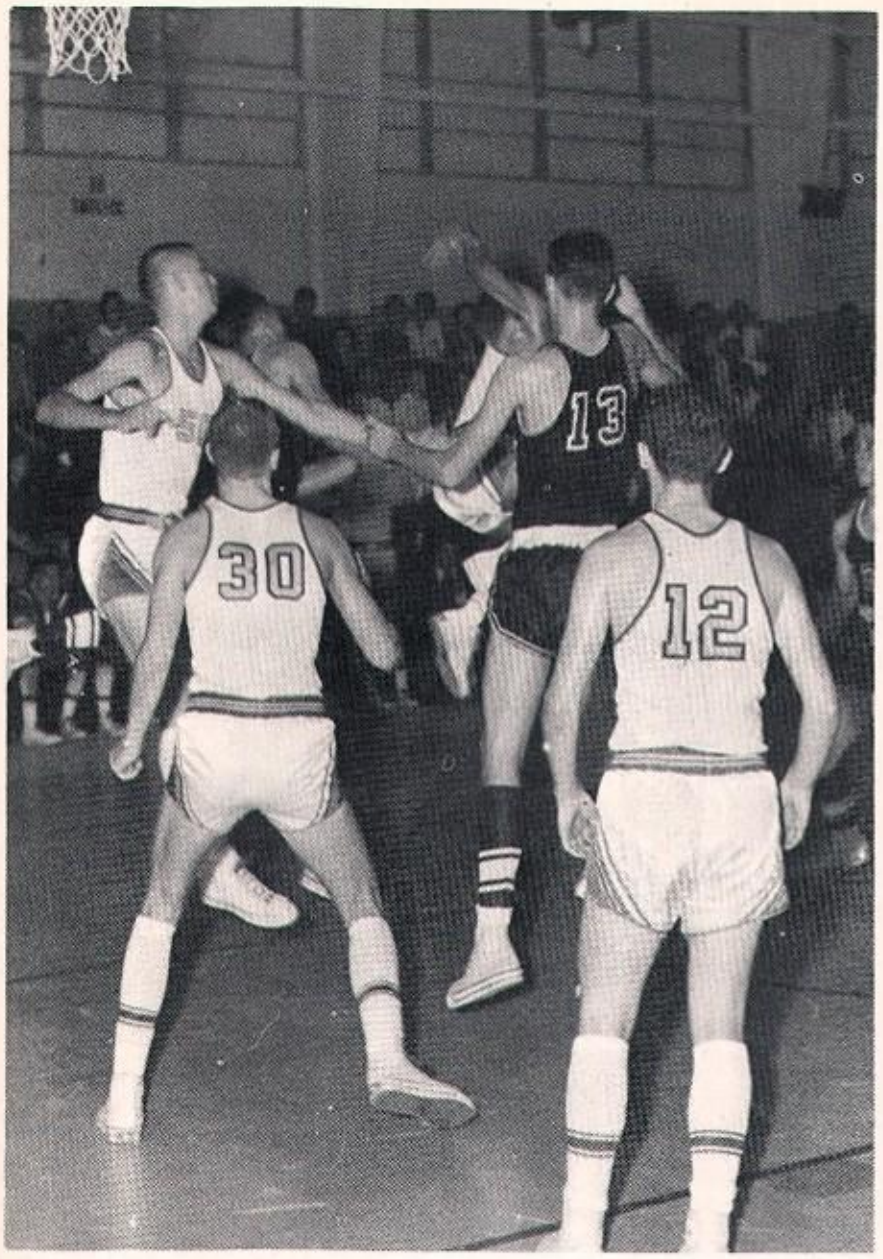
ian's Keith Sigmon. The
he season.

Coach Pennington inspires his team at halftime.

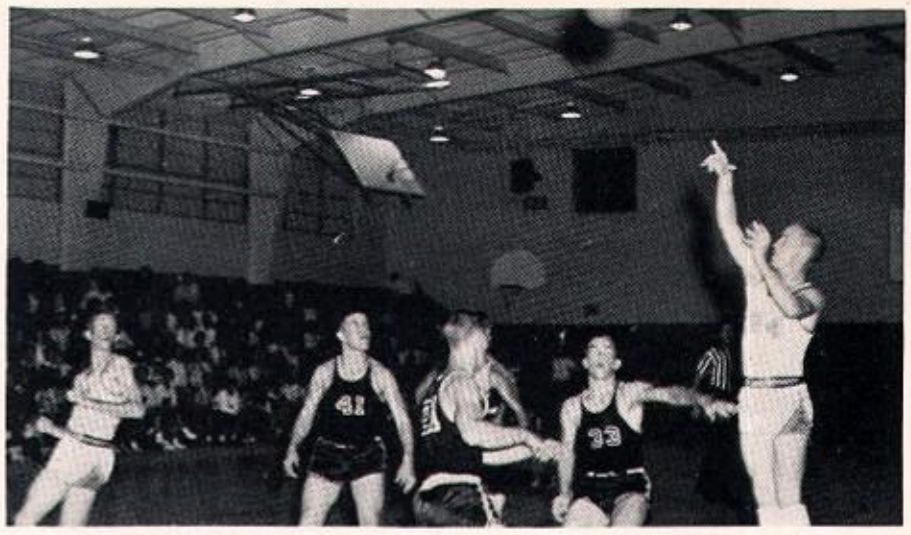
Bob Walker eludes a nearby defender with a sudden burst of speed.

The Trojans weave confused the opposition.

Chuck Ferrell's driving lay-up adds two more vital points.



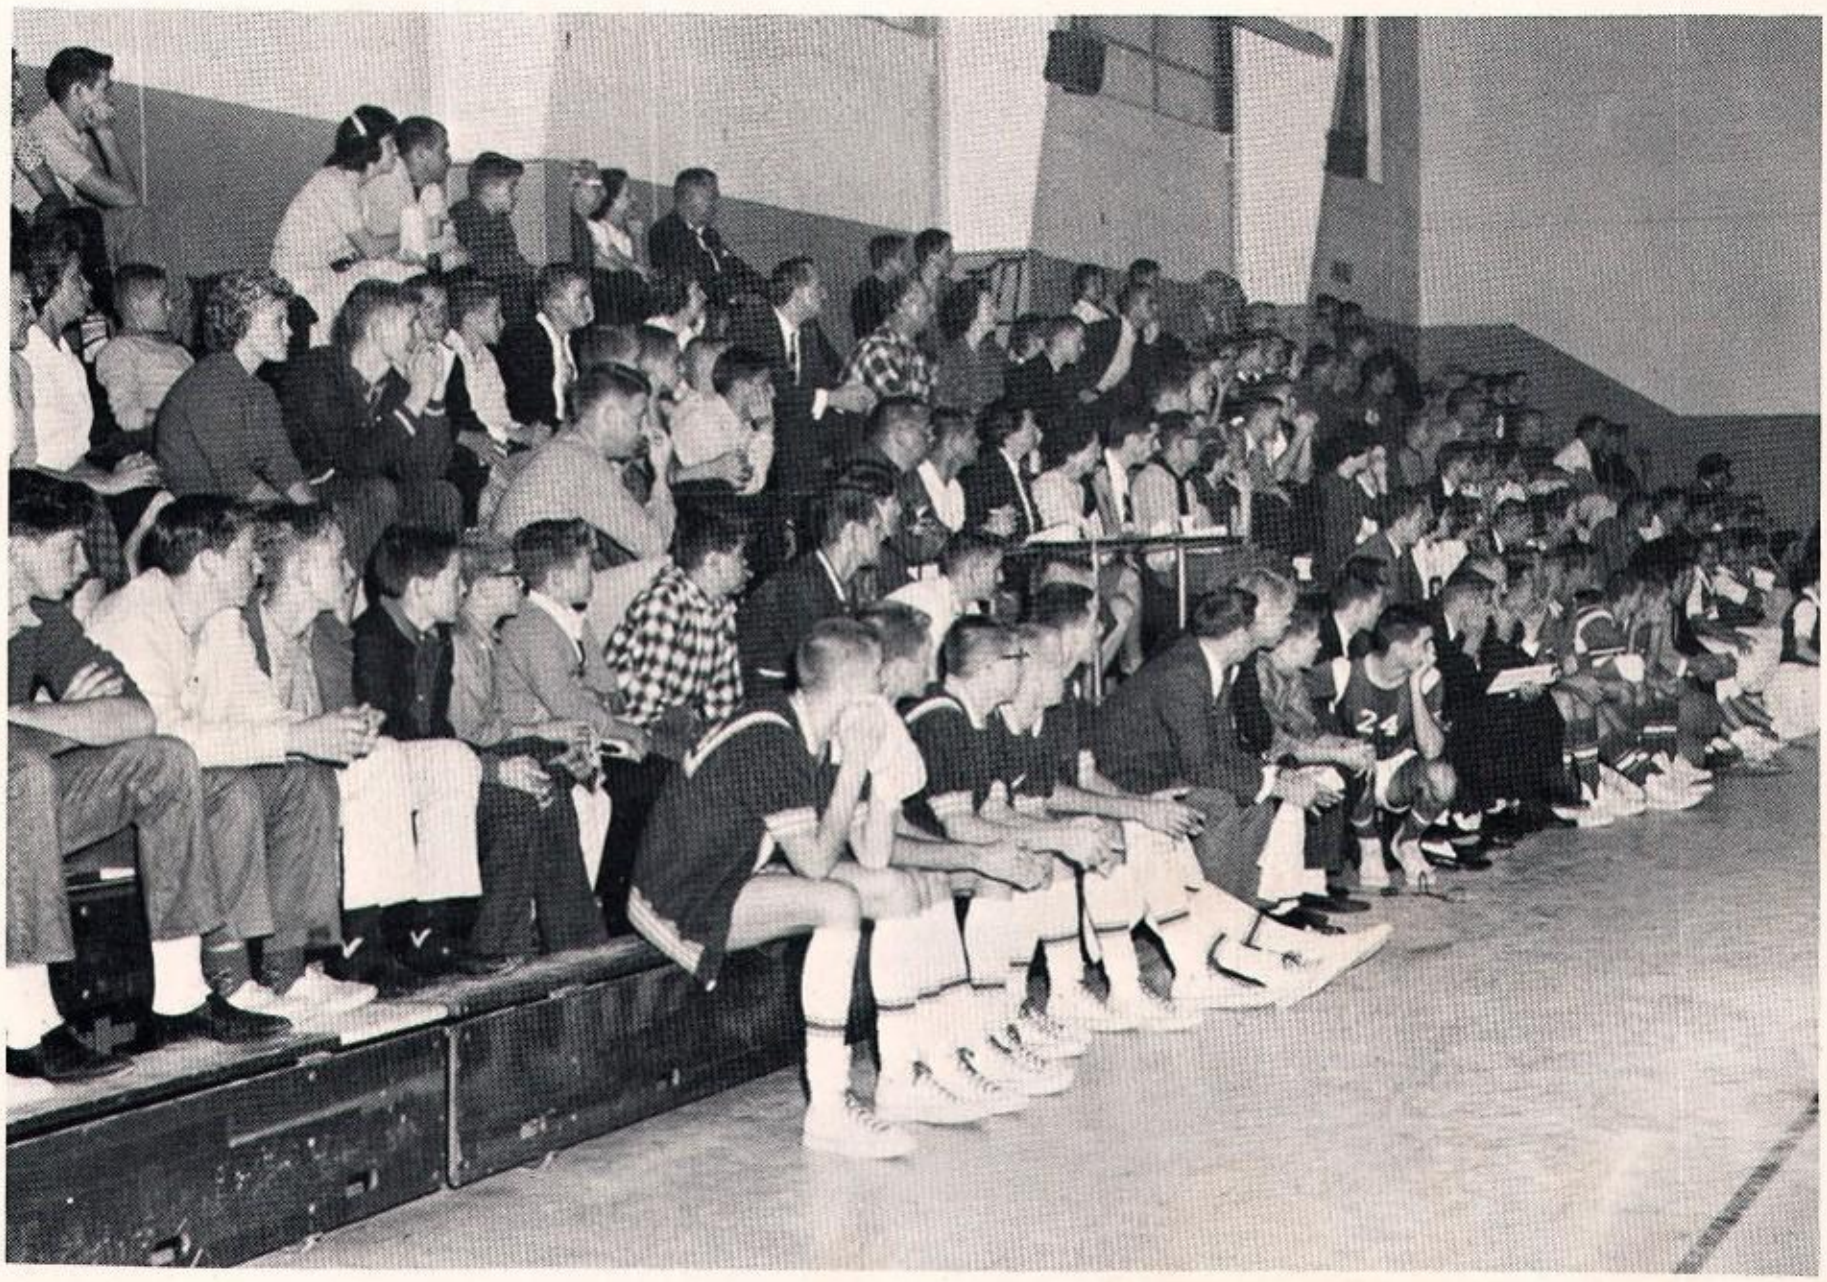
The Evans quintet scrambles after a loose ball.



Bob Walker demonstrates perfect form.

Fast break drills pay off in actual competition.

An intense crowd watches crucial point in ball game.

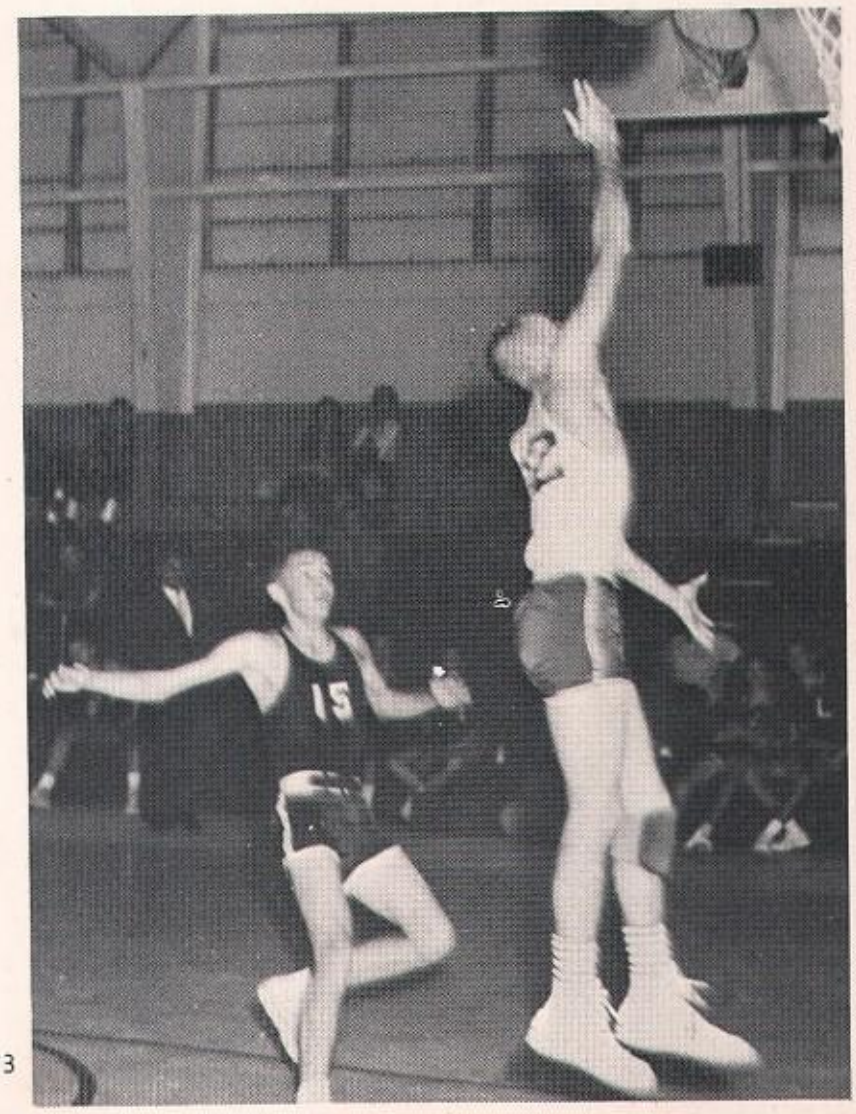


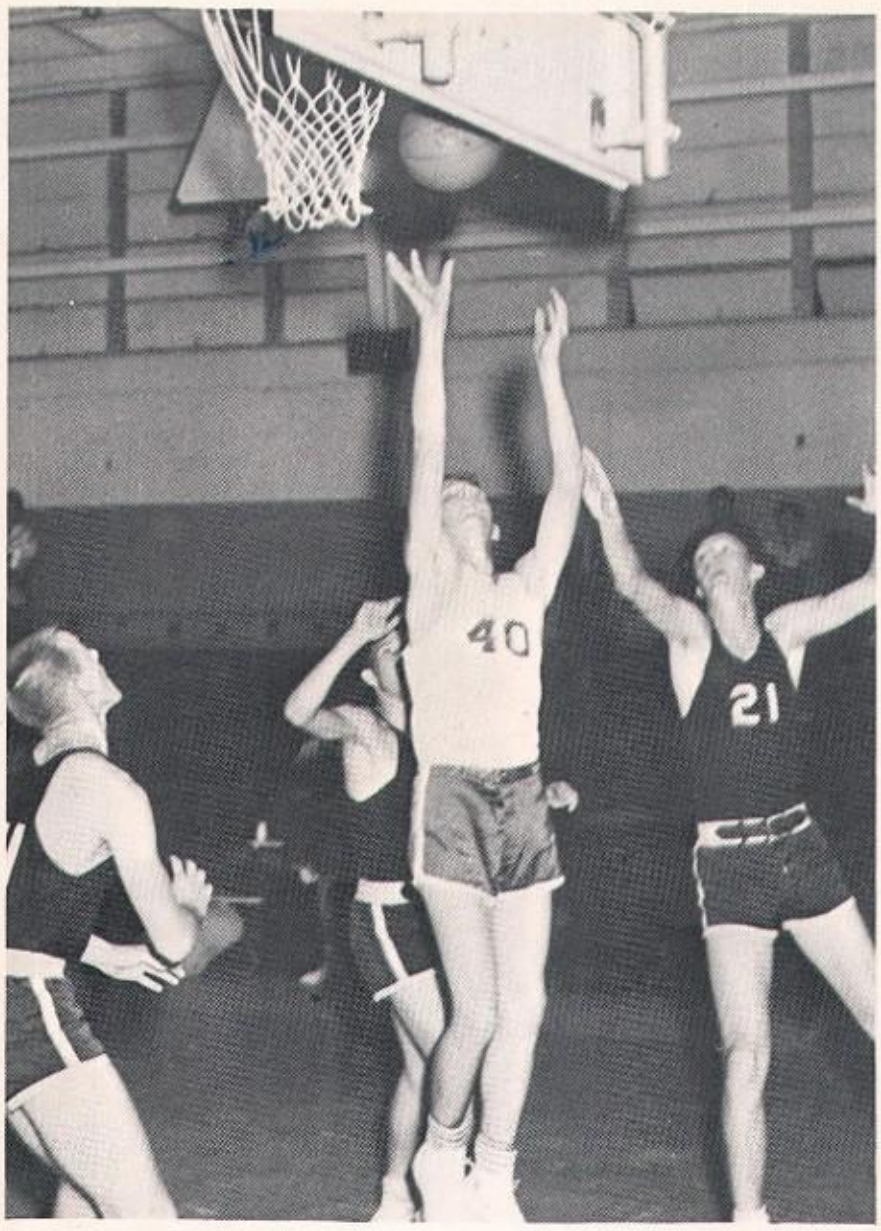
Members of the 1961-62 Junior Varsity Team are pictured left to right: Jerry Downs, David Biga, Bobby Moore, Ray Adams, Ronnie Chipman, Jimmy Chapo, Frank Dillon, Johnny Roberts, Larry Ferguson, Dave Johnston, Wes Arnold, Paul Sills, Dickie Wiedenbeck, and Harry Phillips.

J. V. Trojans Complete 3rd Successful Season

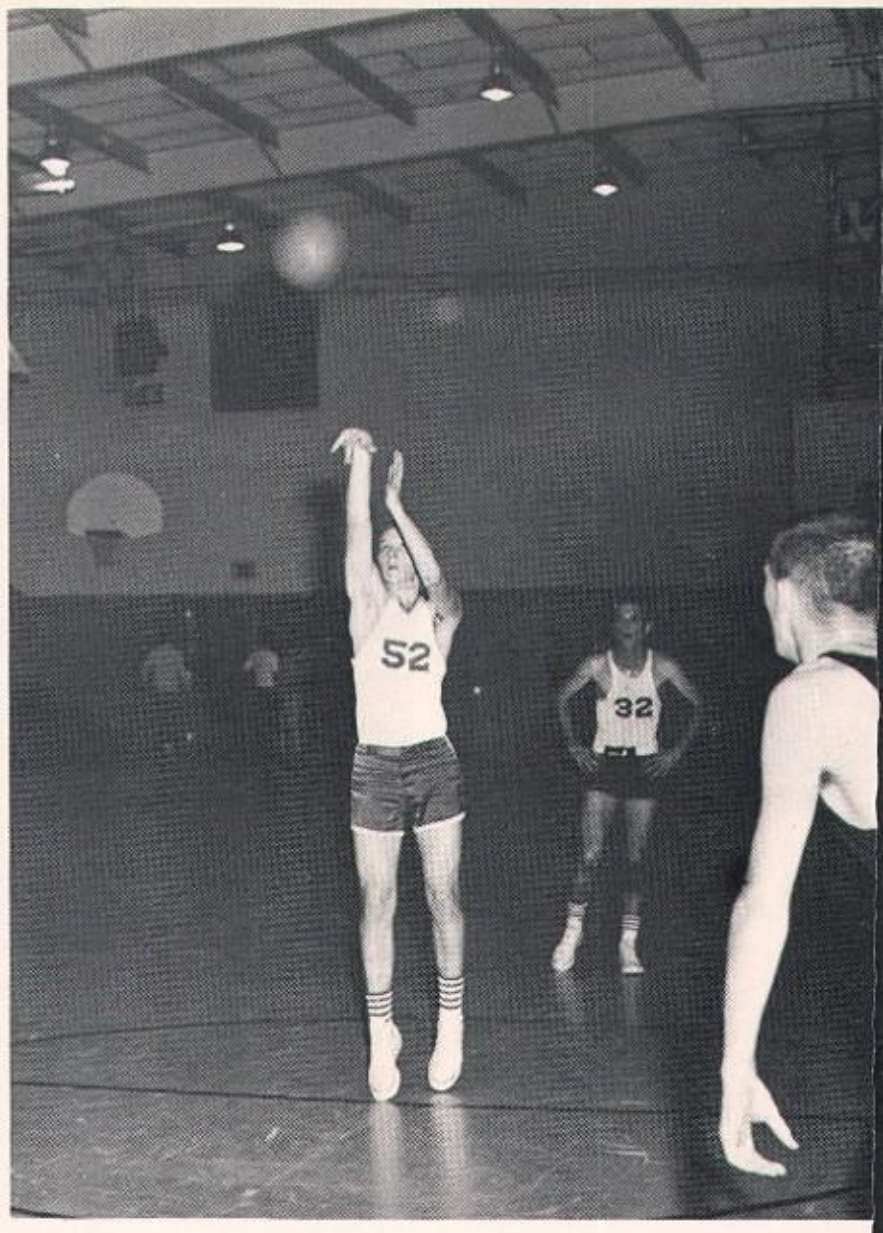
The Trojan's Junior Varsity team met with its third successful season this year under the outstanding guidance of Coach Bill Alexander. Coach Alexander is in his first year at Evans and is doing an excellent job with the Junior Varsity team. Up to this point the J.V.'s have 11 wins out of 12 starts and are determined to match the record set by last year's team of 20 wins and 1 loss. This year's team lacks in height but has made up for it in determination and hustle. Evans High has cause to be proud of its Junior Varsity team.

Dave Johnston's driving lay-up is good for two points.



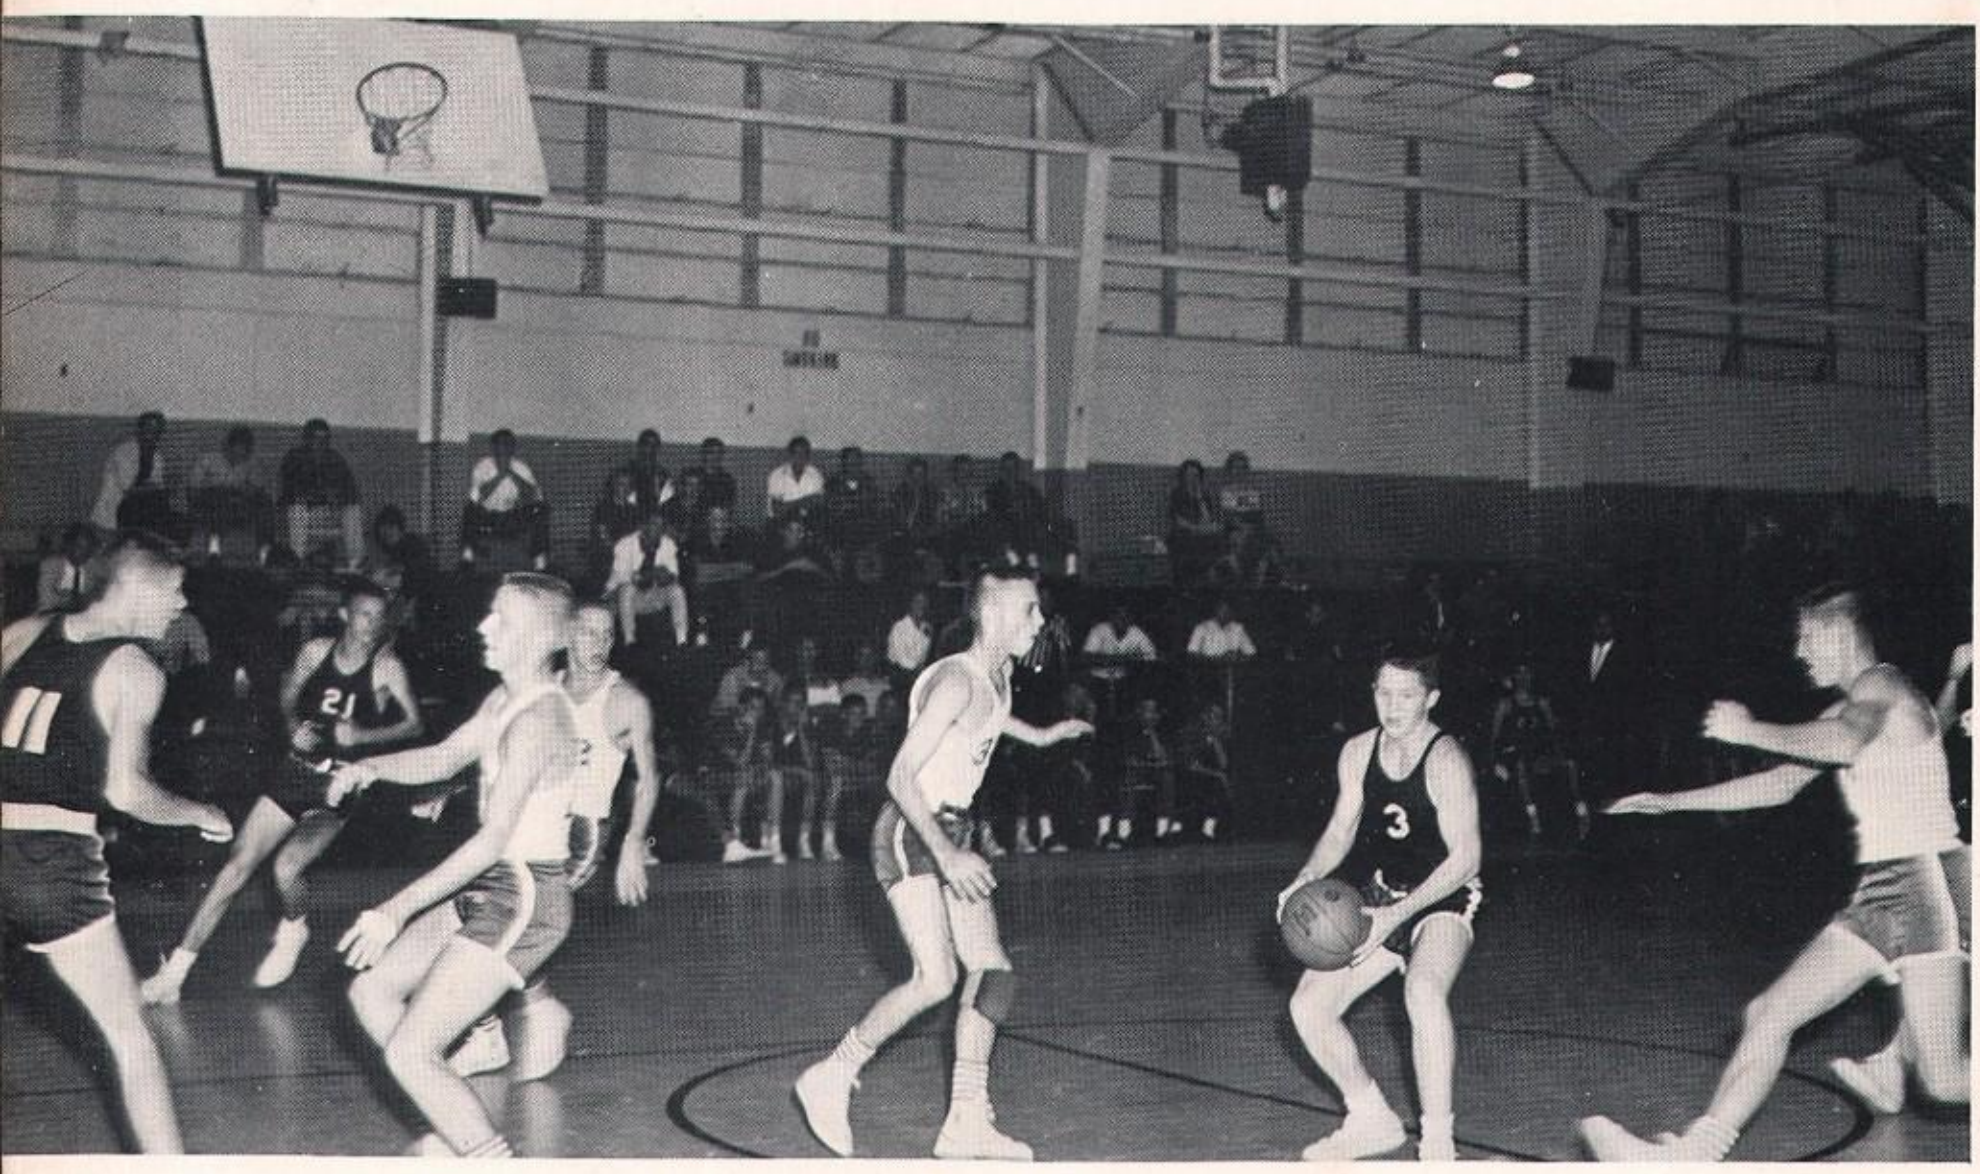


Bobby Moore's fine work under the basket was an asset to this year's team.



Good shooting at the foul line has won many games for this year's Trojans.

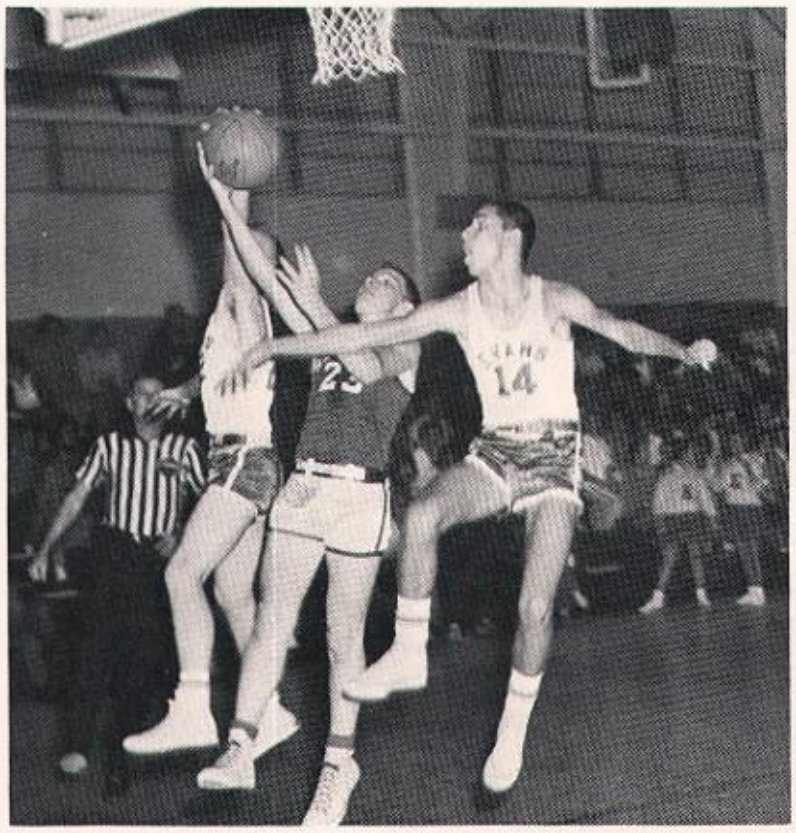
The Trojans give an example of their outstanding defense used this year. The J.V.'s full court press and zone defense amazed many of the teams in the area.

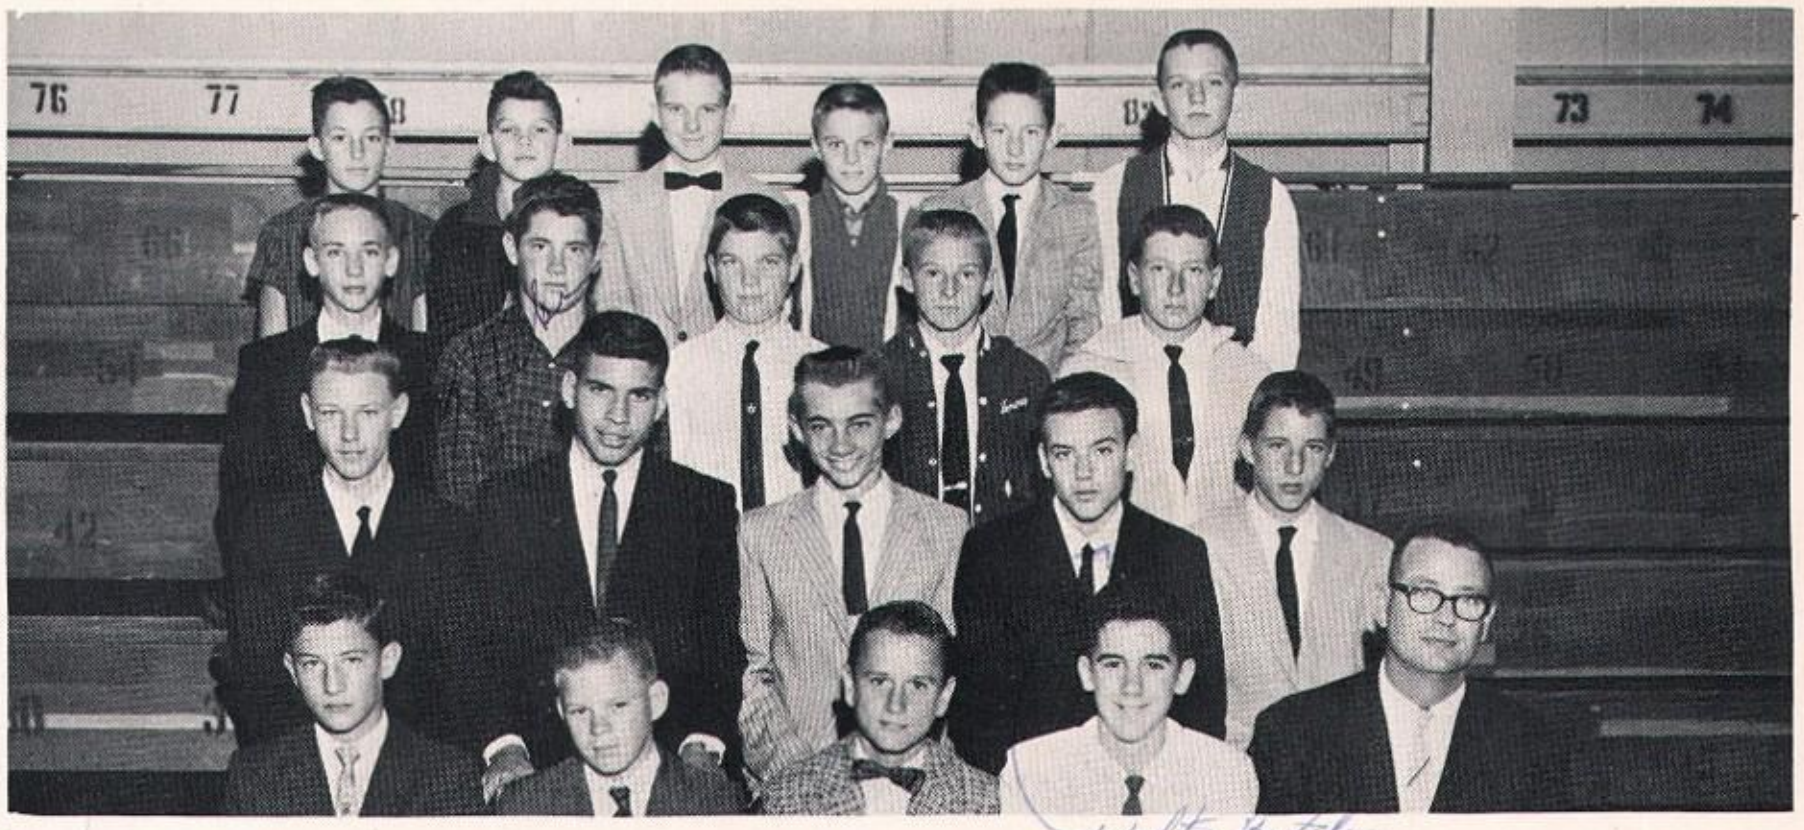


Hard Working Freshman Team Has Good Year

The Evans High Freshman team came out with the best record this year to top off an outstanding basketball year for Evans. Under the leadership of Coach Jim Gosnell the hustling little Trojans beat many local teams in exciting and thrilling games. They worked as a team the entire year and exhibited excellent sportsmanship which is truly a mark of an up and coming varsity basketball team in the years to come.

Members of the 1961-62 Freshman team are pictured left to right; BOTTOM ROW: Larry Lample, Fred Popson, Marty McConaughy, Dale Phillips, Mike Moorehead. SECOND ROW: Bill McLeod, Leman Hudron, Woody Hoyes, Jim Wigmore, Danny Ramey. THIRD ROW: Kent Spearman, Henry Fleming, Mike Wyman, Ron Russell. Managers: Glen Moorehead and David Barth.





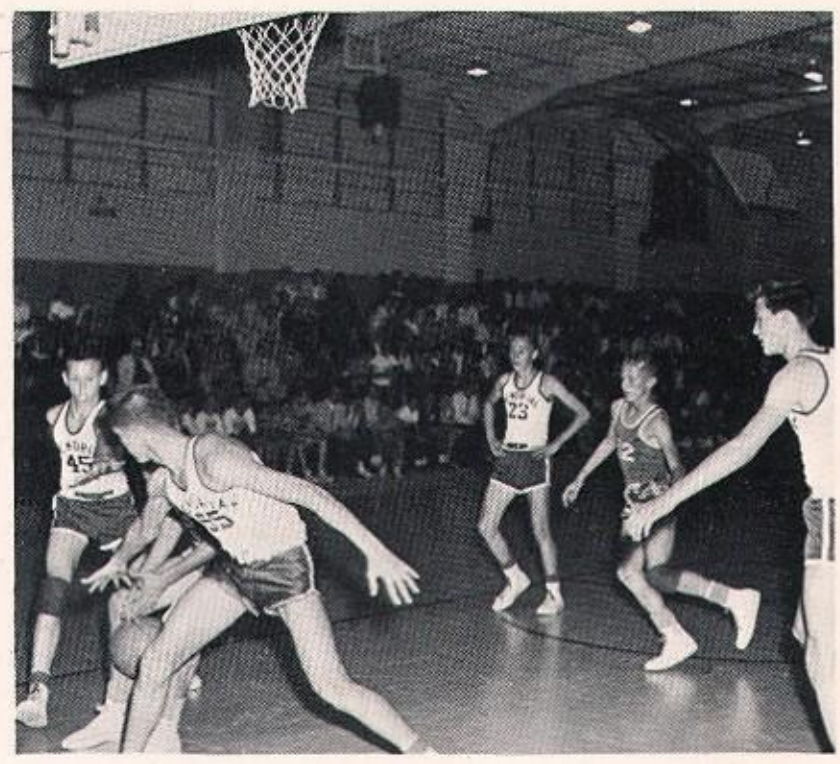
Members of the 1961-62 Seventh and Eighth grade team are pictured left to right; BOTTOM ROW: Bill Valanges, Walter James, Ed Prough, Ronnie Sisson, Coach Rider. SECOND ROW: Larry Baker, Jerry Garman, Steve Turner, Walter Bolter, James Bender. THIRD ROW: Milton Starr, Mike Duffy, Franz Kuder, Randy Terman, Joe Teddy. FOURTH ROW: Donnie Stroud, Kenneth Lacy, James Macree, C. T. Duggins, Freddy Lakes, and Manager Barry Greeno.

Seventh And Eighth Grade Cagers Have Winning Season

The true team of the future is the seventh and eighth grade team. These future ball-hawks are being taught fundamentals and teamwork while participating in organized basketball. The man in charge of this team is Coach Dale Rider. Coach Rider is new to Evans this year and has had a good year with this team. He and his team are to be commended for their hard work and successful season.

Young Trojans tied up by Memorial cagers.

Trojans gather for rebound.



Okay gang, let's get those runs back.

Rick Lehman gets set to belt one.

Frank Johnston

Leo Jackson

The Trojans came through with a 14-7 record in the '60-61 season. Evans' major victories were over Boone and Edgewater; the Braves falling 10-1 and the Eagles taking a 5-3 defeat. In the post-season tournament at Deland the Trojans had a 1-1 record, beating the Sanford Seminoles 5-2 and losing to Deland by a slight margin.

Ray Colantonio

Larry Lehman

Larry Lowe

This season is already shaping up well with Evans having nearly a full squad of veterans returning. A few of these lettermen are: Larry Lehman, Omar Shearer, Larry Lowe, Ray Colantonio, Frank Johnston, Larry Lawson, Dave Johnston, Ron Lehman, and Leo Jackson.

Shown above are members of the 1961 track squad who participated in the track meets under the coaching of Coach Penick:

ROW ONE: Ruskin Munsey, Ronnie Stroud, Edward Tobyansen, Danny Klutts, and Dickie Bachelor. ROW TWO: Roger Pratt, Steve Rovin, Larry Northcutt, Lee Martz, Mark Ryan, Mike Nape. ROW THREE: John Taylor, Robert Launt, Tim Earnast, Bill Edgington, Freddie Long, and Mr. Penick.

Junior High Cindermen Prepare For 1962 Season

Shown below are members of the Junior High who plan to try out for the 1962 Junior High track squad. These boys will be coached by Mr. Alexander:

ROW ONE: Billy Robertson, Rolf Anderson, Ronald Ready, Jerry Myers, Kenneth Lacy, Charles Evans. ROW TWO: Tim Humphrey, Russell Inman, Richard Taylor, Ron Sisson, Jim Painter, Charles Bennett, Danny Klutts. ROW THREE: Larry Ketchem, Jim Sexton, Harry Hurst, Ricky Saricks, James Sparks. Jimmy Czarnecke, Ken Cason.

Senior Golfers Encourage Renewed Interest In Golf

Jack Watson

Joe Popson

Mark Ryan

Clark Brandenburg

Kenneth Buckner

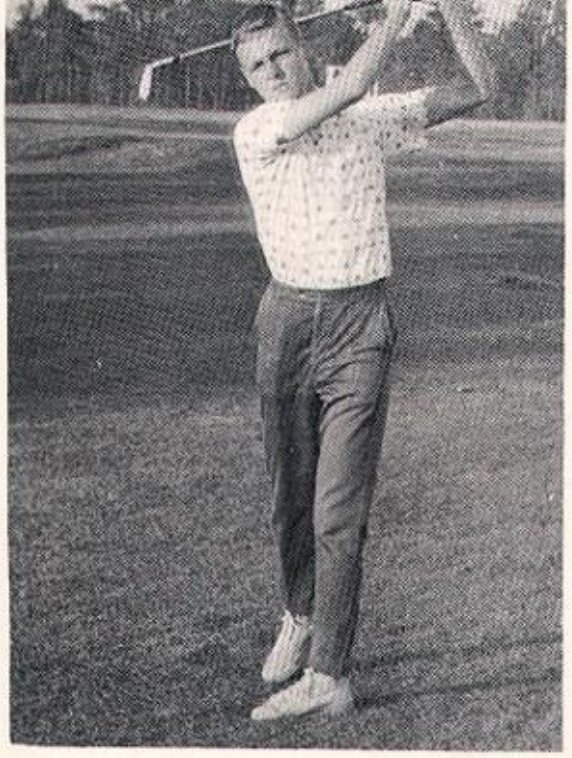
Bob Lunberg

During the 1961 golf season the Evans High Golf Team played a total of eight matches and entered two tournaments.

In the Sunshine Tournament held at Mid-Florida Country Club, Evans placed sixth among the schools that entered.

A big factor in last year's poor season seemed to be the inexperience of the boys in match competition. Last year's team was made up of senior John Pellitier, juniors Jack Watson and Joe Popson, and sophomore Dennis Hogue. Of these four Jack Watson and Joe Popson qualified, and played in the state tournament at Sanford.

With a larger enrollment this year we hope more boys and girls will try out for the golf team. Much more interest has to be developed in the game of golf so that during the 1962 season Evans will be successful.



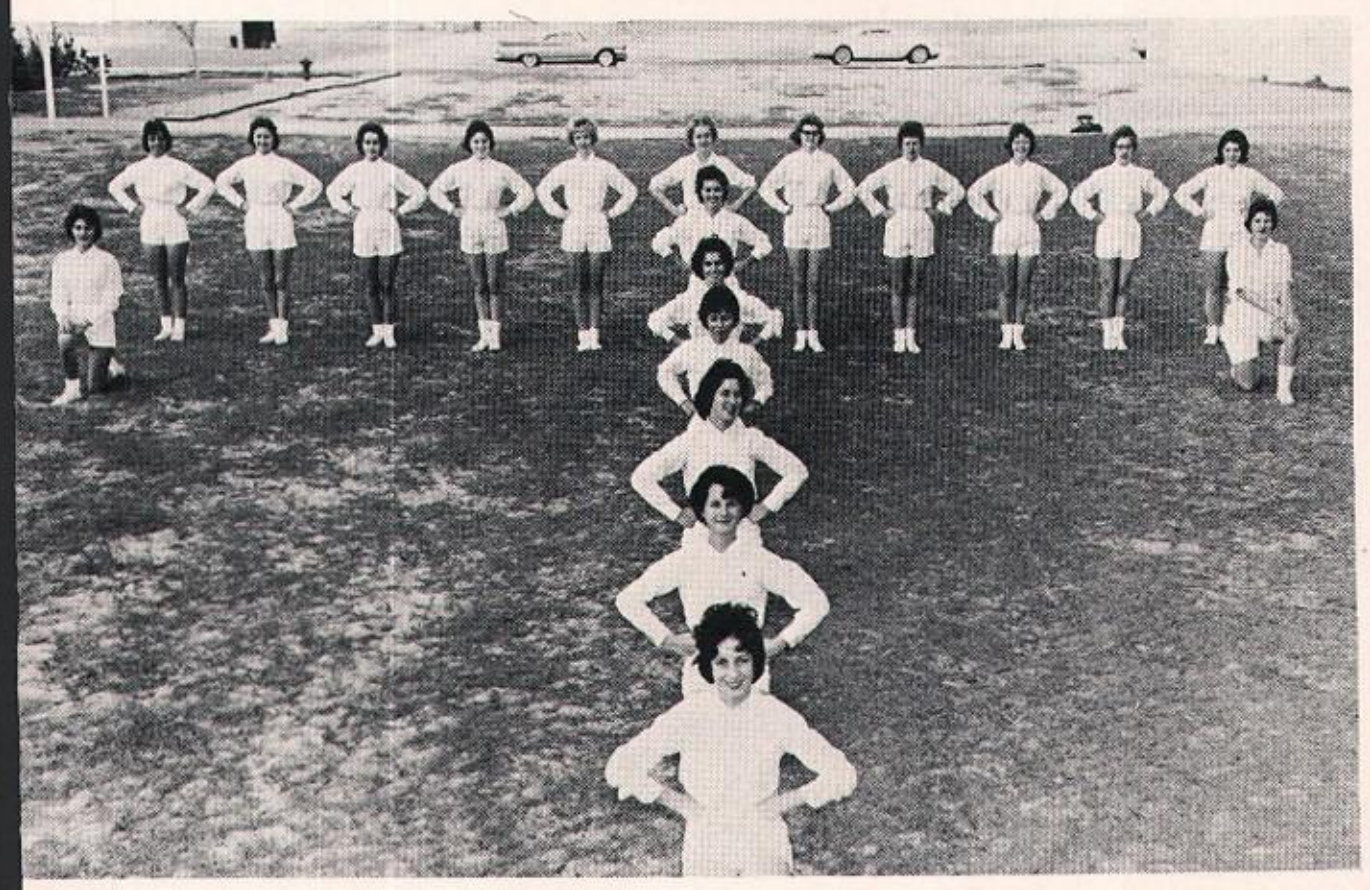
Tommy Todd

Lettermen Serve Throughout Year

FIRST ROW: Leo Jackson, Charlie Domina, Paul Sills, Bill Layman, George Amrein, Bob Cumbie, Roscoe Markette, Frank Johnston. SECOND ROW: George Stallard, Skip Stewart, Larry Lehman, Jerry Burgess, Steve Grannis, Ray Colantonio, Larry Lowe. THIRD ROW: Dave Johnston, Larry Lawson, Don Evans, Jerry Downs, Omar Shearer, Don Preim, Sandy Doolittle. FOURTH ROW: Bill Clouse, John Wright, Carl Herrman, Keith Sigmon, Buddy Smith, Cookie Miller. FIFTH ROW: Ted Malans, Coach Tuggle, Coach MacKinnon, Bob Walker.

Athletes must earn a letter in one varsity sport to be eligible for membership in the Letterman's Club.

Trojanettes Entertain At Athletic Events



FIRST ROW: Pat Varnadore, Alana Woodard, Judy Cason, Linda Alper, Gail Hughes, Virginia Dye. SECOND ROW: Dolly Klodzinski, Faron Gibson, Sherrie Snipes, Sylvia Williamson, Rachel Doscher, June Eubank, Charlene Van Horn, Karen Clemons, La Jo Mizelle, Patsy Stamps, Lou Ann Bender, Diana Rankin, Miss Perry, Sponsor.

The 1961-62 year for the Trojanettes began as they performed at the Grad Bowl marching to Seventy-Six Trombones. Our successful basketball season was highlighted with their half time performances at our home games. They also did a dance routine in the Spring Festival put on by the Dads' Club.

This year the Trojanettes were sponsored by Miss Anna Perry. Our officers were: captain, Dolly Klodzinski; co-captain, Gail Hughes; secretary, Linda Alper; treasurer, Alana Woodward; parliamentarian, Sylvia Williamson; and routine chairman, Judy Cason.

Pat Duggins

This Varsity group was chosen last spring to represent Evans at the FSU Cheerleading Clinic in June 1961. Our third year in attendance brought us third place in the state and a superior rating for the second year.

Our desire is to be number one at the clinic and hold that position for a few years. And knowing this may be possible makes us work harder.

This year we'll have both Varsity and Junior Varsity try-outs in the spring, so those squads will have

Varsity Cheerleaders Promote School Spirit

the summer to work together.

This also was the first year we had complete sets of uniforms for all squads-a real accomplishment, because all money is earned by the cheerleaders.

The Junior High squad has done very well. They added a "first"--cheering for football games.

We are also proud of the fact that each year the Homecoming Queen has been a cheerleader. We have quite a few of our number who are National Junior Honor Society or National Honor Society Members.

Junior Varsity shows form while exhibiting school spirit to Cocoa fans.

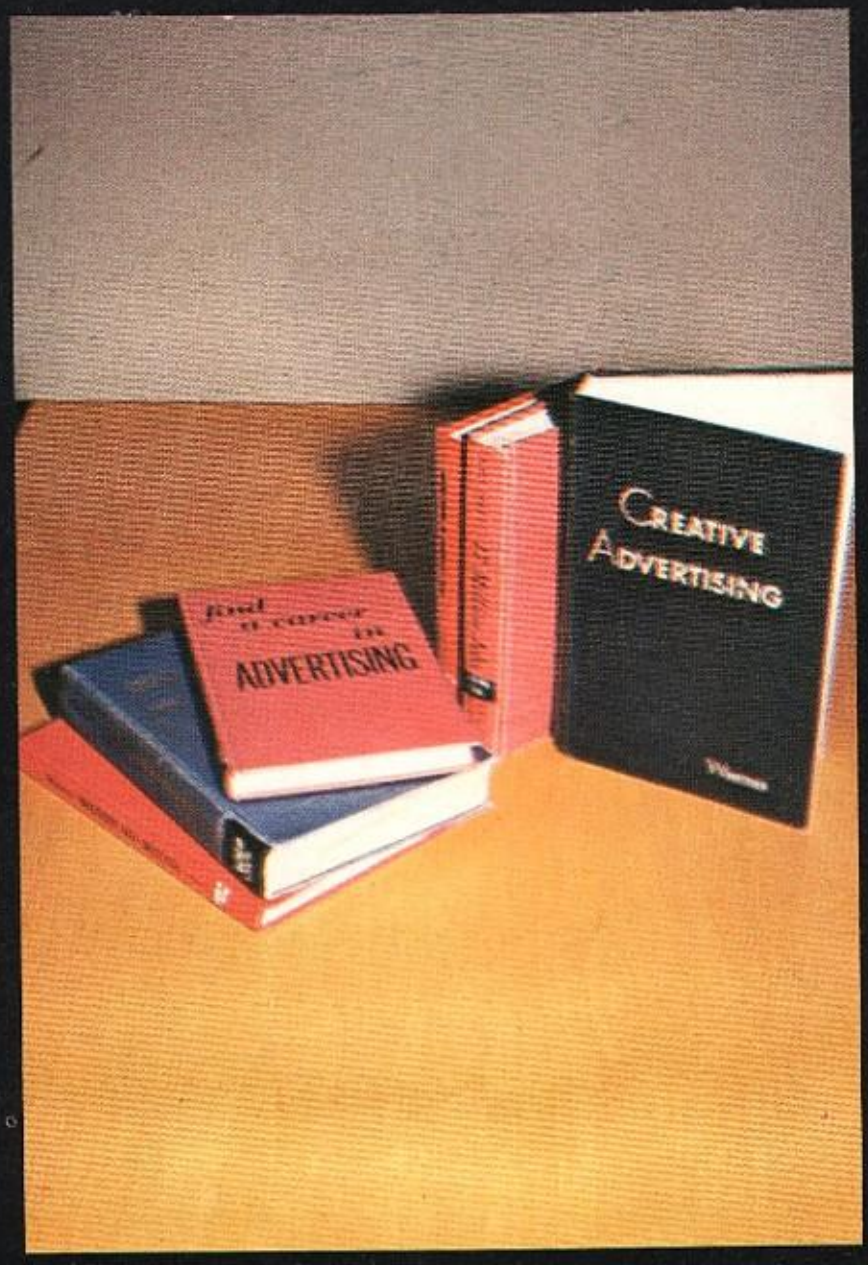
VOLUME VI . . . *Balanced Financing*

We would like to take this opportunity to extend our thanks to our local merchants. Each year their contributions to our yearbook have helped make it the great success it is today. Every year the "Chariot" staff and advisors work long and hard to turn out an even bigger and better yearbook. Naturally, the expense and cost to turn out such a fine book, increases. We want the students of Maynard Evans and especially the graduating class to have a record of all the wonderful memories of school days. Because of this desire we try to give it to the students at the lowest possible cost. We couldn't possibly do this without the many pages of advertising bought by our merchants. The money taken in for advertisements handles half of our financial expenses. We feel proud too, that our community cares about us. During the years that the "Chariot" has been in being, the same merchants have joined with us and each year the newcomers join with them. We are proud, too, of our advertisement pages. We feel they represent the American way of free enterprise and help aid in making our community grow to be larger and finer. Yes, we salute the merchants of our community and thank them one and all.

Advertisements



Our Bank has grown through a tradition of personal service and friendliness. We're continually adding "New Fashioned" innovations to keep pace with modern banking needs.

Buddy Smith, Judy McAfee find out that shopping at Publix IS a Pleasure. Charles Dampier, Manager, in the background.

VOLUME VII . . . *Acknowledgements*

You have turned the last page of this book, the Senior High School chapter in your life. A time of work and a time of play, some disappointments and some successes, all blending to form your personalities.

When you reopen this book in later years, you will recall the finished chapters of your Library of Knowledge. Now we look to the future and the next chapter. May we meet the challenge with enthusiasm and confidence.

I am sure that the Chariot Staff will cherish in memory the trips downtown, crumpled copy sheets and the exceptional amount of patience that comprised its efforts. The unceasing aid of our advisor, Mr. Armeni, kept alive our ambition to complete, without too many errors, the Chariot.

Many people should be given credit for their cooperation in producing this annual. Among them are Mrs. Carol Richburg who handled the business management, and Mr. Glen Davis, the Delmar photographer, who was responsible for the fine quality of the pictures in this publication. I wish to express my gratitude to these people and also to the faculty for their assistance.

May you, the graduating class, and the other students at Maynard Evans cherish this Chariot always, and may it reflect fond memories of your happy high school days. The success of this annual should be attributed to those who have expended much time and thought in order to realize a truly fine production.

May I express my appreciation and thanks to everyone of you.
